FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Squire Mining Ltd.** (the "Issuer").

Trading Symbol: **SQR**

Number of Outstanding Listed Securities: **22,152,001**

Date: **April 5, 2016**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   The Company has received the report on the results of the soil sampling which was undertaken on the Star Property during July 2015 and have continued planning the 2016 work program. We are also currently reviewing and assessing other business relationships and options. No agreements have been entered into at this time.

2. Provide a general overview and discussion of the activities of management.

   Management's activities were the follow up of the Company's exploration work program, which field work was completed in July 2015 and review of potential new relationships presented to us.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

   Management is encouraged by the results of the 2015 Phase 1 geochemistry exploration program of its Star Property as the lead-zinc-silver-cadmium anomalies might be the geochemical signature of a vein hosted silver-lead-zinc deposit or a disseminated gold-silver-lead-zinc deposit.

   Current plans include the completion in 2016 of the first phase MMI^{TM} soil geochemistry program, followed by more detailed sampling surrounding identified anomalies. MMI^{TM} results and maps of the 2015 program can be found on the Squire Mining website.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

   None

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

   None

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

None

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

None

8. Describe the acquisition of new customers or loss of customers.

N/A

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

N/A

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

N/A

11. Report on any labour disputes and resolutions of those disputes if applicable.

N/A

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

N/A

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

None

14. Provide details of any securities issued and options or warrants granted.

Security	Number Issued	Details of Issuance	Use of Proceeds[(1)]
None			

(1) State aggregate proceeds and intended allocation of proceeds.

N/A

15. Provide details of any loans to or by Related Persons.

None

16. Provide details of any changes in directors, officers or committee members.

None

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

Further changes in the price of gold and other commodities are likely to have an effect on the valuation of the Company's properties. Additionally, access to new funding for early stage mining projects will impact management's future decisions.
