Advantex Announces Agreement with Streetmeet

Toronto, March 22, 2012– Advantex Marketing International Inc. (“Advantex”), a leading specialist in merchant funding and loyalty marketing programs, today announced that it has signed an agreement, for a three year initial term with Streetmeet Inc. (“Streetmeet”) a company developing, distributing and servicing digital marketing products and solutions to consumers, hospitality and retail business.

“We are very excited to bring leading-edge digital marketing services to our merchants. This new service provides our merchants with the content and technology to harness the potential of e-mail, web and social marketing to deliver channel-specific messages with just one click. Combined with the Digital Menu Box for the “real world”, our merchants can now enjoy an easy-to-use, cost-effective marketing tool that will place them at the forefront of digital and social marketing while at the same time be part of one of Canada’s leading loyalty programs,” said Kelly Ambrose, President and Chief Executive Officer of Advantex.

“We are thrilled to be partnering with Advantex to integrate UNOapp and Digital Menubox's proven digital marketing solutions with their offering,” said Olivier Centner, Chief Executive Officer of Streetmeet. “Advantex's current merchant base and national distribution will further build our merchant base across Canada and allow us to focus resources on continued solution development and integration with other industry leading solution providers. This partnership represents a significant strategic milestone in our continued evolution of delivering measurable marketing impact to merchants and strategically partnering with other proven industry service providers and distribution channels,” said Mr. Centner.
