**Credit Line Facility for Emerging-Growth Publicly-Traded Companies**

**NEWS RELEASE**

Armada Mercantile Ltd., through its merchant banking operations and its wholly-owned subsidiary Armada Group USA, Inc. (ArmadaUSA), will begin offering "Equity Line of Credit" instruments (Line of Credit) from US\$100,000 to US\$1 million, to qualified emerging-growth publicly-traded companies. Each Line of Credit is based on ArmadaUSA's sound due-diligence, a contractual agreement to Invest in the client company, and is coupled with the inherent risk of equity ownership. Contractually, Armada Mercantile Ltd. has attempted to comply with the Securities and Exchange Commission's proposed Regulation SHO, and will amend all agreements to conform to the New Regulations, if enacted.

Armada Mercantile Ltd. has modified the traditional Equity Line of Credit transaction, in order to eliminate many of the historical concerns related to these investment types, by tying contractual commitments and investment criteria to stock price and volume. Currently, ArmadaUSA is reviewing four potential public-company clients in preparation for issuing its first Line of Credit.

Companies interested in evaluation and underwriting should submit a request in writing, stating desired terms, to ArmadaUSA.
