### **About Choice Gold Corp.:**

Choice Gold Corp. was created to acquire and advance select, high-potential mineral projects and thereby unlock shareholder value. With this goal in mind, the company has entered an option agreement with Riverside Resources Ltd. (TSX-V: RRI) to acquire a 100% interest in the Sugarloaf Peak Gold Project just west of Quartzsite, Arizona. Sugarloaf Peak covers over 24 km<sup>2</sup> and was the subject of intermittent drilling and small-scale mining from the 1950’s through to the 1990’s. The project is the subject of an historical, non-National Instrument 43-101 compliant mineral resource and Choice Gold has a mandate to prove its economic viability.
