

FORM 7

MONTHLY PROGRESS REPORT

Name of CNSX Issuer: CNRP Mining Inc. ("CNRP").

Trading Symbol: CND

Number of Outstanding Listed Securities: 14,050,000

Date: August 4, 2013 (for the month of July 2013)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

		.	

(1) State aggregate proceeds and intended allocation of proceeds.

14. Provide details of any loans to or by Related Persons.

None applicable to CNRP Mining during the month

15. Provide details of any changes in directors, officers or committee members.

None applicable to CNRP Mining during the month

16. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

A recent retracement in the price of gold has left it hovering around \$1300 per ounce. Should the trend continue, it could eventually have an adverse effect

upon the Elmtree gold property owned by CNRP. Management of CNRP expects the recent retracement of the gold price to be a short term.
