Press Release

INCANA ENTERS AGREEMENT TO ACQUIRE EASYMED SERVICES SA.

VANCOUVER, British Columbia, Canada /December 2, 2009/ - InCana Investments Inc. (CNSX: IIN) (“InCana”) is pleased to announce that it has entered into an agreement with EasyMed Services SA (“EasyMed”) whereby InCana would acquire 100% of the issued and outstanding shares of EasyMed (1,155,600 common shares) by issuing 12,000,000 convertible preferred shares. The agreement is subject to the regulatory body and shareholder approval and InCana is calling a meeting to seek such shareholder approval. Upon shareholders approval, 12,000,000 shares would be converted into 12,000,000 common shares. None of the new shareholders would own more than 10% of the new company. At the time of the transaction, InCana is trading at 5 cents a share. In this transaction, InCana will acquire 100% of EasyMed’s capital, which includes proprietary software, contracts, and a cash position of CDN\$600,000.

The company also plans to change the name from InCana to such other name acceptable to the board of Directors to reflect EasyMed’s services and products.

Dr. Bisognano appointed as Director

Dr. Carmelo Bisognano, CEO of EasyMed Services SA will be joining the board of Directors of Incana. Prior to founding EasyMed, Dr. Bisognano had a post-doctoral position at the University Hospital of Geneva where he conducted research on molecular regulation of bacterial resistance. He is also the author of publications in international scientific journals and has obtained several awards for his research work (GSK and MSD Awards, Swiss Society for Infectious Diseases).

Dr. Bisognano was also a biotechnology consultant for Geneva’s government, research institutes and a Marketing Manager in a bioinformatics company. More recently, he co-directed a course on Biotech valuation for MoT MBA (federal polytechnic school) and collaborated with investment funds for their strategic portfolio allocation.

About EasyMed Services SA

EasyMed Services SA is a Medical and Health Technology Services Company based on an Internet and Mobile phone platform offering a range of services and applications for individuals, families, medical and health care professionals, pharmaceutical manufacturers, insurance companies and complimentary service providers. The main service features include medical and health reminders, on-line and mobile phone access and interactivity, telemedicine, and global medical and health information service.

The company is operating and headquartered in Geneva, Switzerland with offices in Chennai, India and is establishing a strong presence in Toronto, Canada. EasyMed is comprised of an experienced Corporate Management Team and qualified Medical and IT professionals.

In July 2009, EasyMed sold an equity stake to the Chairman of Temenos Group AG (SIX: TEMN), the market-leading provider of integrated core banking systems with a 1.4 billion dollar market capitalization. This strategic investor brings considerable value to EasyMed's corporate development plan.

In face of the pressing need for cost effective health care solutions, EasyMed Services SA offers a unique and powerful tool for individuals as well as medical and health care providers worldwide. A global demographic base, large development and service capacity, coupled with an integrated, innovative service offering, allow EasyMed to reduce health care costs and offer a practical and effective support tool to improve personal and family health care and health care management. EasyMed is becoming one of the emerging leaders in the medical technology sector.

North America is a critical focus for EasyMed's development and providing these unique tools for the health sector is currently in motion.
