FOR IMMEDIATE RELEASE

Incana Announces Annual And Special Shareholder Meeting to Approve Acquisition of EasyMed

Shareholders Meeting set for February 12th 2010

VANCOUVER, BC - January 18, 2010 – Incana Investments Inc. (the “Company”) (CNSX:IIN) today announced that it has set its annual and special meeting (the “Meeting”) of shareholders to be held on February 12, 2010 at 1250 West Hastings Street, Vancouver, British Columbia at 10:00 a.m. (Vancouver time) to approve the Company’s planned acquisition (the “Acquisition”) of EasyMed Services SA (“EasyMed”), as first announced on December 2, 2009. The notice of meeting and management information circular for the Meeting are posted on SEDAR and will be mailed to shareholders.

Summary of Acquisition of EasyMed

On December 8, 2009, the Company, subject to regulatory and shareholder approval, entered into an agreement (the “Agreement”) with EasyMed, a private corporation incorporated under the laws of Switzerland, to acquire 100% of the issued and outstanding shares of EasyMed by issuing 12,000,000 convertible preferred shares in the capital of the Company to EasyMed Shareholders. Upon receipt of shareholder and regulatory approval, the issued 12,000,000 convertible preferred shares will be converted into 12,000,000 common shares of the Company. On the date the Agreement was entered into, the Company’s shares were trading at \$0.05 cents per share. None of the new shareholders will own more than 10% of the Company upon completion of the Acquisition. As a result of the Acquisition, the Company will undergo a change of name and business as described in the information circular. The Company has changed its name with the British Columbia Registrar of Companies to EasyMed Services Inc. but will continue to do business as InCana Investments Inc. until shareholder approval of the Acquisition is received.

About EasyMed Services SA

EasyMed is a medical and health technology services company based on an internet and mobile phone platform offering a range of services and applications for individuals, families, medical and health care professionals, pharmaceutical manufacturers, insurance companies and complimentary service providers. The main service features include medical and health reminders, on-line and mobile phone access and interactivity, telemedicine, and global medical and health information service.

EasyMed is operating and headquartered in Geneva, Switzerland with offices in Chennai, India and is establishing a strong presence in Toronto, Canada. EasyMed’s management is comprised of an experienced corporate management team and qualified medical and IT professionals.

In face of the pressing need for cost effective health care solutions, EasyMed offers a unique and powerful tool for individuals as well as medical and health care providers worldwide. A global demographic base, large development and service capacity, coupled with an integrated, innovative service offering, allow EasyMed to reduce health care costs and offer a practical and effective support tool to improve personal and family health care and health care management, making EasyMed one of the emerging leaders in the medical technology sector.

North America is a critical focus for EasyMed's development and providing these unique tools for the health sector is currently in motion.
