EASYMED SERVICES BECOMES HL7 MEMBER

TORONTO, ONTARIO – (May 12, 2011) –EasyMed Services Inc. (CNSX:EZM) (“EasyMed” or the “Company”) is pleased to announce it has become an organizational member of the Health Level Seven International (or HL7) and that its technology, EasyMedMobile, now supports the HL7 messaging standard.

HL7, which was found in 1987, is a not-for-profit, American National Standards Institute-accredited standards developing organization dedicated to providing a comprehensive framework and related standards for the exchange, integration, sharing, and retrieval of electronic health information that supports clinical practice and the management, delivery and evaluation of health services.

EasyMed Services CEO – Dr. Bisognano states, “Becoming a member of HL7 is key for the integration of our services in the health information systems. This standard has been specifically developed to improve care delivery, optimize workflow, reduce ambiguity and enhance knowledge transfer among the health actors. We now have the added advantage of being able to offer our key EasyMed solutions and products to our clientele in a much more streamlined and prompt manner.”

EasyMed Services Inc. is a Medical and Health Technology Services Company based on an Internet and Mobile phone platform offering a range of services and applications for individuals, families, medical and health care professionals, pharmaceutical manufacturers, insurance companies and complementary service providers. The main service features include medical and health reminders, on-line and mobile phone access and interactivity, telemedicine, and an international medical and health information service.

The company is operating and headquartered in Geneva, Switzerland with offices in Chennai, India and Toronto, Canada comprised of corporate management and qualified Medical and IT professionals.
