About the Starlight Children's Foundation

Starlight Children's Foundation Canada is a charitable organization dedicated to bringing smiles, laughter, joy and hope back into the lives of children with serious illnesses and their families. For over 20 years, we have partnered with some of the most respected hospitals, medical professionals and healthcare workers in the country to do just that. We focus on the family as a whole at a time when they feel most isolated. Our unique programs and events provide an escape from the everyday realities of a prolonged illness – and a chance to be just like any other family. And at Starlight, that makes us smile too
