**GOD'S LAKE RESOURCES ACQUIRES CLAIMS SOUTH OF TIMMINS**

**God's Lake Resources Inc. CNSX: GLR** ("God's Lake Resources" or the "Company") is pleased to announce the acquisition of 100% interest in 72 claim units (1,152 ha) in English and Beemer Townships approximately 40 kms south of Timmins, Ontario.

The claims were acquired by the Company at no cost and with no underlying royalty. Historic, published information indicates numerous gold occurrences, which the Company is currently examining and evaluating. The Company has a planned budget of \$30,000 for the balance of 2013, encompassing prospecting, geological mapping and sampling. Results will be reported upon completion of the above work.

God's Lake Resources is a junior gold exploration company and is publicly traded on the Canadian National Stock Exchange under the symbol GLR and maintains a strong balance sheet with over \$3,800,000 in assets.

This News Release includes certain "forward-looking statements", which often, but not always, can be identified by the use of words such as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements with respect to the Company's future plans, objectives or goals, to the effect that the Company or management expects a stated condition or result to occur, including this **News Release**. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, project development, reclamation and capital costs of the Company's mineral properties, and the Company's financial condition and prospects, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with the Company's activities; and other matters discussed in this News Release and in filings made with securities regulators. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. The Company does not undertake to update any forward-looking statement that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.*
