NEWS RELEASE

HI HO SILVER RESOURCES INC. ANNOUNCES EXHIBITORS BOOTH AT THE BEIJING INTERNATIONAL CONFERENCE CENTRE., BEIJING, CHINA – NOVEMBER 11TH TO THE 13TH

Hi Ho Silver Resources Inc. (“Hi Ho Silver” or the “Company”) is pleased to announce it will have an exhibitor’s booth at the China Mining Conference in Beijing, China from November 11th to the 13th International Convention Centre I Beijing. Our booth will be hosted by the President and CEO, Fred Fisher as well as a Chinese translator who is fluent in both Cantonese and Mandarin. Our booth number is #060 and we invite any interested parties or shareholders in the area to drop by.

Hi Ho Silver recently released a National Instrument 43-101 compliant resource calculation of its primary property the Carmi Molybdenum Project which it has earned a 51% interest in and has a further option to earn a full 100% interest by making a one time cash payment of \$500,000 and the issuance of 3.5 million shares within 6 months of signing of a formal agreement. The report can be viewed at the following link http://www.hhsr.ca/index.php?whichpage=article_view&whicharticle=34. The Carmi project is strategically located in South Central, BC off highway 33 near Beaverdell town between Kelowna and Penticton

Signed,

Hi Ho Silver Resources Inc

“Fred Fisher”

Fred Fisher

President & CEO

Forward-Looking Information:

This release may include certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address future production, reserve or resource potential, exploration drilling, exploitation activities and events or developments that Hi Ho Silver Resources Inc. (the "Company") expects to occur, are forward-looking statements. Such statements are identified in this release by the use of words such as "will" and "expected" as well as the use of the future or conditional tense. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise.
