

FORM 7

MONTHLY PROGRESS REPORT

Name of CNSX Issuer: Hi Ho Silver Resources Inc. (the "Issuer").

Trading Symbol: HHS

Number of Outstanding Listed Securities: 25,384,433

Date: November 3, 2009

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Synergy management presented the Carmi project to six different Chinese companies at a symposium in Beijing and garnered excellent interest on top of the two groups already reviewing the project. While negotiations of this nature do not unfold quickly they remain ongoing. The company feels that this is the key to moving forward by developing and closing a key

strategic joint venture and/or buyout with an Asian group. The price of Moly recently pulled back to just below the \$12 U.S mark which makes it difficult to finance in traditional ways. We will continue with our Asian focus in the mean time.

2. Provide a general overview and discussion of the activities of management.

Management and Directors conducted several meetings both in person and via conference calls throughout the month to discuss ongoing corporate matters.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

None
