# HILLTOWN RESOURCES INC. ANNOUNCES APPOINTMENT OF MR. MATTHEW LECHTZIER AS A DIRECTOR

### September 19, 2011 - Vancouver, B.C.:

Mr. Rudy de Jonge, Chief Executive Officer of Hilltown Resources Inc. ("Hilltown" or the "Company"), is pleased to welcome Mr. Matthew Lechtzier to its board of directors. The Company now has five directors.

Mr. Lechtzier is a qualified solicitor and brings to the board extensive experience in marketing, transaction execution, and documentation. He has acted as project manager and senior advisor for over 80 offerings. For over 15 years, Mr. Lechtzier has served as Senior Vice President of Ivanhoe Capital Corporation whose principal offices are in Singapore, Vancouver and London where he is based. He has been responsible for execution, marketing, and both banker and investor relations for both public and private group companies. In addition, he has overseen the raising in excess of \$450 million in three separate initial public offerings while at Ivanhoe Capital.

Mr. Lechtzier's previous experience is as Director of Equity Capital Markets with Jardine Fleming Securities in Hong Kong, a pre-eminent Asian based investment bank. He was a senior member of their equity capital markets team in Asia, which lead 48 international issues in 1993 and 1994 raising in excess of \$5.7 billion. Mr. Lechtzier was also a member of Asian Capital Markets Department of J. Henry Schroder Wagg & Co./Schroders Securities Limited in London and Taipei; and of the Capital Markets team of the Chase Investment Bank in London.

Over his lengthy financial management career, Mr. Lechtzier has served on the Board of Directors of various public and private companies including most recently First Calgary Petroleums Ltd. and Goviex Uranium Inc. His educational background includes study in cultural anthropology, fine art and modern design in addition to law. He also served on the Advisory Committee of the Ashmolean Museum in Oxford and is currently on the Development Committee of the Foundling Museum in London.

#### **About Hilltown Resources Inc.:**

Hilltown Resources Inc. is a Canadian-based mineral exploration company committed to growing shareholder value by focusing on the acquisition, exploration, and development

of iron ore resources. The Company is currently investing in projects in Brazil due to the high grade nature of its iron ore deposits, readily accessible infrastructure, stable political and economic setting, mining-friendly environment, and well developed iron ore industry.

Hilltown Resources was incorporated on March 1, 2006 and listed for trading on the Canadian National Stock Exchange (CNSX) on February 2, 2010 under the trading symbol HLT.

On November 29, 2010 the Company signed a Letter Of Intent (LOI) with Tecstones Geologia Ltda. and Rubens Favorato of Brazil to option 4 mineral claims ("the TEC Claims") comprising 6286 hectares located in Bahia State, Brazil. The TEC Claims are early stage iron ore exploration projects within an iron ore district currently being explored by several iron ore companies, including Vale.

On behalf of the Board of Hilltown Resources Inc.

This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, including the likelihood of commercial mining and possible future financings are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include unsuccessful exploration results, changes in metals prices, changes in the availability of funding for mineral exploration, unanticipated changes in key management personnel and general economic conditions. Mining is an inherently risky business. Accordingly the actual events may differ materially from those projected in the forward-looking statements. For more information on the Company and the risks and challenges of its business, investors should review the Company's annual filings that are available at www.sedar.com.
