Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer has not met the \$100,000 expenditure requirement to be expended by June 30, 2013 under its agreement with Amarc Resources Ltd. and the claims require assessment work or at least 6 months of cash in lieu of work payment by November 15, 2013. Discussions were underway with Amarc to develop a solution to maintaining or abandoning the option of the Tulox property. Subsequent to the period a solution has been agreed to and will be disseminated by news release near the time of the filing of this report.

2. Provide a general overview and discussion of the activities of management.

Management has also been pursuing financing and property acquisitions to maintain its good standing with Amarc Resources Ltd. to meet its requirements to develop the tulox property and has been actively seeking other acquisitions to add to its natural resource assets.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

No further work has been undertaken since the assessment report filed with the BC Minerals Branch in July.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.
