## **QMI SEISMIC INC. CALLED TO TRADE ON CANADIAN NATIONAL STOCK EXCHANGE**

VANCOUVER, British Columbia, Canada /April 29, 2010/ CNSX:QSS/ QMI Seismic Inc. (“QMI” or the “Company”) announced that the Company will begin trading on the Canadian National Stock Exchange (“CNSX”), on Thursday, April 29, 2010 under the symbol QSS.

QMI Seismic Inc. was recently involved in an Arrangement with Arris Resources Inc, whereby Arris Resources spun off a Distribution Agreement (the “Agreement”) to QMI, in exchange for shares. The Agreement gives QMI an exclusive right to distribute three very advanced seismic sensor products, produced by QMI Manufacturing Inc. in the whole of India. The north of India is an active seismic zone where two of the earth’s plates dig into each other, causing earthquakes. In addition, the whole Indian sub-continent is subject to seismic activity in varying degrees.

QMI Manufacturing Inc. produces seismic sensors and alarms that actively work to protect lives by automatically shutting off gas, or water pipes at the mains. Product features available only on QMI products include wireless communications between sensors and shut-off valves, and the ability to re-set the system without utility company intervention. More information about the products can be found at [www.QMIimg.com](http://www.QMIimg.com).

QMI Seismic Inc. has a strong management team with substantial business experience, and they believe that this experience, coupled with their strong connections to India combine to create a strong potential for growth in that region and will work to build value for their stakeholders. Navchand Jagpal, President and CEO commented, “QMI Manufacturing is the industry leader in seismic wave sensors. We are very excited about partnering with them to bring these products to earthquake prone areas and hope that this technology will help save lives.”

Management expresses its appreciation for the effort and dedication the members of the QMI team demonstrated in achieving publicly traded status for the Company.

On behalf of QMI Seismic Inc.

**“Navchand Jagpal”**  
*President and  
Chief Executive Officer*
