Magna Announces Investor Relations Service Agreement

Vancouver, B.C., November 26, 2013. Magna Resources Ltd. (CNSX: MNA, OTCQX:MGRZF) (the "Company" or "Magna") is pleased to announce that it has entered into an investor relations service agreement ("Agreement") with Network IR ("Network") to develop and execute a comprehensive marketing and investor communication program to help raise awareness of the Company.

Network is a Vancouver-based full service investor relations company with experience in creating exposure for mineral exploration companies to industry stakeholders and investors. Network strives to represent companies that fall under the "best of breed" category for their specific focus area. Network's service will include consulting to the Company with respect to producing and distributing effective marketing communication tools and increasing investor awareness.

Network has been hired for an initial term of three months, renewable thereafter on mutual agreement by both parties. As consideration for services provided, the Company will pay Network a fee of \$5,000 plus applicable taxes per month.

About the Company

Magna Resources Ltd. is dedicated to the acquisition and development of potash mineral deposits in the USA and elsewhere. The Company, through a wholly owned subsidiary, American Potash LLC, a Nevada limited liability corporation, holds certain State potash leases and approval of certain federal potash prospecting permits in the State of Utah that constitute the Green River Potash Project, host to a significant potash Exploration Target.
