NEWS RELEASE

June 13, 2013

**LAWSUIT FILED BY FAMILY OF FORMER MOUNTAINSTAR GOLD
DIRECTOR**

The Directors of Mountainstar Gold Inc. (the Company), report the following to our shareholders and the investing public.

A lawsuit has been filed by the family of a former director of the Company, Mr. Tom Jackholm. Mrs. Jackholm is asking for \$1.24 million to cover costs and expenses of mortgaging four properties. The Company's Directors received notice of the lawsuit, via media publication only, Tuesday, June 12, 2013.

Important information in the Statement of Claim by Mrs. Jackholm, is erroneous and misleading on several critical issues, which Mountainstar Gold Inc. will prove. The loan from Mrs. Jackholm was negotiated solely by former director Tom Jackholm, and excluded any current or former Directors of the Company.

Mountainstar Gold Inc. would like to say more in its defence at this time but cannot during litigation. The process to explain fully what transpired must be handled by our lawyer and the court. We strongly believe this will be settled to the satisfaction of Mrs. Jackholm and The Company's shareholders in the near future.

On behalf of the Board of Directors,

"Brent Johnson"
