FOR IMMEDIATE RELEASE -- DECEMBER 31, 2004

Acquisition of Creation Casinos Inc. Securities

Vancouver - B.C. – December 31, 2004 – Thomas Bell of Richmond, B.C. announces that he has acquired, in a private transaction, ownership of 2,650,000 common shares of Creation Casinos Inc., (the “Issuer”), representing approximately 10.0% of the issued and outstanding shares of the Issuer.

As a result of the foregoing acquisition, Mr. Bell owns 3,464,034 common shares of the Issuer, and a previously issued stock option for the purchase of 200,000 common shares of the Issuer. The 3,464,034 common shares represent approximately 13.0% of the issued and outstanding shares of the Issuer. If Mr. Bell exercised his stock option in full, the additional 200,000 common shares issued together with the existing 3,464,034 shares, would total 3,664,034 shares, representing approximately 13.7% of the outstanding common shares of the Issuer, assuming no other common shares had been issued from the date hereof.

The securities were acquired for investment purposes. Mr. Bell may, depending on market and other conditions, increase or decrease his beneficial ownership of or control or direction over the Issuer’s securities, whether in the open market, by privately negotiated agreements or otherwise, subject to a number of factors, including general market conditions and other available investment and business opportunities.

The press release is issued pursuant to the securities legislation of those jurisdictions in which the Issuer is a reporting issuer, which legislation also requires a report to be filed with the Securities Commissions in those jurisdictions containing additional information with respect to the foregoing matters (the “Report”).
