

NEWS RELEASE — PDH ANNOUNCES NEW IMAGING PROTOCOL

VANCOUVER, BC, November 28, 2012 — PDH is pleased to announce that under the direction of our Medical Director, Dr. Raj Attariwala, we have successfully implemented an enhanced CT imaging protocol for adult patients. Combined with a PET scan, this protocol substantially enhances the clarity of our images, making for more accurate and complete clinical assessments.

“We at Premier Diagnostics strive every day to better address the needs of all our patients and their physicians, be they in Vancouver or Beijing,” said Geoff Waters, COO of PDH. “These enhancements and new applications will be introduced as part of a continuing education program at our Vancouver PET/CT presentation centre ensuring our ability to provide the utmost in patient assessment at all of our Premier clinics.”

Please visit the company’s website www.premierdiagnostics.ca and Facebook page at www.facebook.com/petctscan, or you can contact us at 604-678-9115 for more information.

About Premier Diagnostic Health Services Inc. ("PDH")

Premier designs, builds, finances, and manages diagnostic clinics, such as PET-CT and MRI facilities in Canada and abroad. From our “Concept Centre” in Burnaby BC Canada, we offer partnerships in Joint Ventures to hospitals seeking enhancement of their existing diagnostic facilities and client services. We model our activities on our PDH designed joint venture MRI clinic at the No. 3 Military Police Hospital in Beijing, PRC and our PET/CT cancer imaging clinic in our Burnaby head office.
