

Dividend Issued: Solex Resources Corp.

October 18, 2004, Vancouver, BC: International Zimtu Technologies Inc. (CNQ: ZMTU) (“Zimtu”) is pleased to announce that the dividend distribution to shareholders of Zimtu relating to the company’s former subsidiary Solex Resources Corp. (“Solex”) has been completed. Following this dividend distribution to shareholders, Zimtu will retain 1,200,000 shares of Solex.

“The Solex dividend marks the third such distribution to shareholders in the last eight months. Management looks forward to continuing to build a track record of value growth,” stated David Hodge, President of Zimtu.

In addition, Solex has informed Zimtu that it has received approval of its Listing Statement from Canada’s new stock exchange, the CNQ. The common shares of Solex will commence trading on October 26, 2004, under the trading symbol **SOLX**.

Solex Resources Corp. is a development stage company engaged in the acquisition and exploration of mineral properties. The company is focused on exploring the high-grade Pilunani zinc-silver-lead project in southern Peru. The Pilunani, long recognized for its high-grade zinc anomalies at surface, remains largely unexplored by modern methods. International Zimtu’s participation in this transaction keeps with its long-term strategy of growing as an early-stage mineral exploration company.

About International Zimtu Technologies Inc.

International Zimtu Technologies Inc. is an early-stage mineral exploration company focused on building shareholder value through ownership in a diversity of mineral exploration properties and equity.

Solex is one of three subsidiaries which Zimtu initiated following the earlier success of its dividend distribution of Commerce Resources Corp. in 2001. Zimtu retained a position in Commerce of 2,000,000 shares which has since grown to 2,900,000. With 2,697,476 shares issued and outstanding, Zimtu currently owns more shares of Commerce than it has issued. In addition, Zimtu owns over 1,950,000 shares of other publicly traded companies and 1,800,000 special warrants of three other private companies. In the event that the private companies become a reporting issuer, the special warrants will convert to common shares.
