About QSolar Limited

QSolar Limited and its wholly-owned subsidiary, QSolar Ltd., and its wholly-owned subsidiary, QSolar (Shanghai) Photovoltaic Technology Co. Ltd., develop patented and proprietary solar related processes and technologies, and manufacturing and sell proprietary solar products. The Corporation currently manufactures solar photovoltaic (PV) panels in its new manufacturing facilities in Shanghai, China using its proprietary patent pending Spraytek®, Kruciwatt® and ESS process and its own QLite and QSS designs. QSolar products were initially introduced by QSolar in July 2010 and QSolar Spraytek® panels offer several advantages over competing products as they have significantly lower losses in hot climates due to their design, offer superior solar cell encapsulation for better protection, significant weight savings over existing competitors PV modules, longer life and cost less than equivalent solar products, and are now offered in various sizes and colors.

QSolar trades under the symbol QSL on the Canadian National Stock Exchange (“CNSX”).

Additional information on the operations or financial results of QSolar Limited are included in reports on file with applicable securities regulatory authorities and may be accessed through the CNSX website (www.cnsx.ca) and Sedar website (www.sedar.com) under the profile for QSolar.
