RANGE APPOINTS NEW CONSULTANT

Vancouver, B.C. – Range Metals Inc. (“**Range**” or the “**Company**”) is pleased to announce that Dr. Said Hmoud Dhiab Al-Ani has been appointed as a consultant to the Company.

Dr. Said has various degrees in Geology from Baghdad, London University, England, and Paris, France. He specializes in Petroleum Geology and Remote Sensing and Geotectonics. With over 30 years experience in the oil and gas sector, Dr. Said will aid Range in identifying oil and gas prospects in the Kurdistan Regional District and furthermore will provide expertise in the potential exploration and development of these prospects.

Dr. Said has published numerous technical papers and presented at conferences, seminars and training courses over the last 30 years.

On Behalf of the Board of Directors:

“Donald R. Sheldon”
