

FORM 7

MONTHLY PROGRESS REPORT

Name of CNSX Issuer: **RANGE GOLD CORP.** (“Range Gold” or the “Issuer”).

Trading Symbol: RGU

Number of Outstanding Listed Securities: 17,446,509 common shares

Date: June 3, 2009 (for the month of May 2009)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Through its wholly owned subsidiary, Mackenzie Timber Group Inc., the Issuer entered into a preliminary option agreement with Worthington Mackenzie Inc. of Edmonton, Alberta, for the acquisition of the Mackenzie pulp mill lands and assets in Mackenzie, British Columbia. The option agreement contemplates finalizing an asset transfer arrangement acceptable to both parties. See # 2.

The Issuer has also been seeking partners for the continued exploration and development of its gold and uranium properties.

2. Provide a general overview and discussion of the activities of management.

The Issuer's management is in the process of contacting the key pulp mill stakeholders – including the BC Government Forestry and Environment Ministries, the Town of Mackenzie, and the participating unions – to determine if a viable plan can be agreed upon that delivers a financially secure mill that can sustain its operations during the difficult economic conditions expected in the near future.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

There were no new drilling, exploration or production programs undertaken by the Issuer during the month of May 2009.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

Not applicable to the Issuer during the month of May 2009.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

Not applicable to the Issuer during the month of May 2009.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

Not applicable to the Issuer during the month of May 2009.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

Not applicable to the Issuer during the month of May 2009.

8. Describe the acquisition of new customers or loss of customers.

Not applicable to the Issuer during the month of May 2009.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

Not applicable to the Issuer during the month of May 2009.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

Not applicable to the Issuer during the month of May 2009.

11. Report on any labour disputes and resolutions of those disputes if applicable.

Not applicable to the Issuer during the month of May 2009.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

Not applicable to the Issuer during the month of May 2009.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

Not applicable to the Issuer during the month of May 2009.

14. Provide details of any securities issued and options or warrants granted.

Not applicable to the Issuer during the month of May 2009.

15. Provide details of any loans to or by Related Persons.

Not applicable to the Issuer during the month of May 2009.

16. Provide details of any changes in directors, officers or committee members.

Effective May 11, 2009, Debra Watkins resigned as Secretary of the Issuer and was replaced by Garth Edgar who now holds the positions of Chief Financial Officer and Secretary of the Issuer.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

Trends and risks that may impact the Issuer:

- a. The Issuer's principal activity is mineral exploration and development. Companies in this industry are subject to many and varied kinds of risks, including but not limited to, environmental, metal and mineral prices, political and economic.
- b. The Issuer will also be devoting time and effort evaluating projects regarding the acquisition and redevelopment of forestry sector assets. Companies in this industry are also subject to many and varied kinds of risks, including but not limited to, environmental, commodity prices, political and economic.
- c. The Issuer has no significant source of operating cash flow and no revenues from operations. The Issuer has not yet determined whether its mineral property contains mineral reserves that are economically recoverable. The Issuer has limited financial

- resources. Substantial expenditures are required to be made by the Issuer to establish reserves.
- d. The property interests the Issuer has an option to earn an interest in, are in the exploration stages only, is without known bodies of commercial mineralization and has no ongoing mining operations. Mineral exploration is subject to a high degree of risk, which even a combination of experience, knowledge, and careful evaluation may fail to overcome. Exploration activities seldom result in the discovery of a commercially viable mineral resource. Exploration activities are also expensive. The Issuer will therefore require additional financing to carry on its business, and such financing may not be available when it is needed.
