RESAAS Welcomes The Residential Group Realty to the Real Estate Social Network

VANCOUVER, BC. (December 11th, 2012) – RESAAS Services Inc., a real estate social network for real estate professionals, is pleased to welcome The Residential Group Realty (TRG Realty) to RESAAS.

The Residential Group Realty is committed to providing its clients positive, professional, and ethical standards of conduct while buying and selling real estate. TRG Realty started in April 2006 and has become one of the fastest growing companies in the Real Estate Board of Greater Vancouver. The five owners of TRG Realty have over 98 combined years of involvement in real estate sales in the Greater Vancouver area. By embracing these timeless principles and combining them with an unmatched desire in providing quality results for their clients, TRG Realty will continue to be leaders in the real estate industry, setting themselves apart from other real estate organizations.

“TRG Realty is a proven leader in the Greater Vancouver region and we are looking forward to working with them,” said Padraig Cullen, Senior Executive of Sales at RESAAS. “Their dynamic and industry-leading executive team understands the importance of business social networking and how RESAAS will empower all of their agents to network and procure more business deals. Additionally, TRG Realty understands the importance of helping their agents stay up to date with social media by providing the company with a real estate social network that offers innovative social media technology, mobile applications and software support.”

“TRG Realty is known for their innovation. They are continually looking for technologies that will give their agents a competitive edge,” said Michael St. Hilaire, Chief Operating Officer at RESAAS. “Social lead generation is a key element in their marketing plan and they immediately saw the value of RESAAS.”

Not only will TRG Realty agents have their own corporate branded agent pages on RESAAS, but the firm will also have a TRG Realty News page in order to broadcast information and remain in constant contact with their corporate social network on RESAAS.

“We at The Residential Group Realty are very excited to be working with RESAAS. We look forward to being on the cutting edge of technology with our clients and agents in order to network and communicate in real-time,” said Rick Valouche, Managing Broker at TRG Realty and past president of the Real Estate Board of Greater Vancouver (REBGV) and the British Columbia Real Estate Association (BCREA).
