RESAAS Welcomes Future Properties to the Real Estate Social Network

VANCOUVER, BC. (May 29th, 2013) – RESAAS Services Inc. (CNSX: RSS), a social network for real estate professionals, is pleased to welcome Rhode Island-based, Future Properties, to the RESAAS platform.

Future Properties is a real estate company that provides property management, sales and debt relief for clients throughout Massachusetts and Rhode Island. In addition, Future Properties provides education in the real estate field with weekly classes that train people and educate them to become real estate agents in the states of Rhode Island and Massachusetts.

“Tina Adams, President/Broker at Future Properties, has 28 years of experience in the real estate market,” said Padraig Cullen, VP of Sales at RESAAS. “As the Rhode Island real estate market begins to see higher sales volumes in certain regions, Tina understands that the Generation Y consumers are entering the market with a reliance on social networking. RESAAS will empower the Future Properties team to streamline their social strategy and connect with the Generation Y consumers on our real estate social network.”

When using RESAAS, each Future Properties agent will receive his or her own corporate branded agent page. In addition, the firm will have a Future Properties page in order to broadcast information and remain in constant contact with the members of Future Properties.

About RESAAS SERVICES INC.

RESAAS is the real estate social network designed specifically for the real estate professional to connect and communicate in real-time. Known as real estate broadcasts, RESAAS’ powerful rebasts® engine automatically generates all of your real estate workflow into invaluable social content that is instantly pushed out to the RESAAS platform and other social networks.
