Asian Real Estate Association of America Signs Nationwide Deal with RESAAS

VANCOUVER, BC. (December 23, 2013) – RESAAS Services Inc., (CNSX: RSS) The Real Estate Social Network™, is pleased to announce that it has signed an agreement with the [Asian Real Estate Association of America](#) (AREAA), a trade association dedicated to promoting sustainable homeownership opportunities in Asian American communities and creating opportunities for housing and real estate professionals.

Under terms of the deal, AREAA will provide its 14,000 members in North America with access to an exclusive AREAA social network delivered on the RESAAS platform. This allows AREAA members to take advantage of improved internal communications and increased knowledge sharing, as well as the public-facing social marketing benefits each member enjoys when using RESAAS. Further, AREAA members will have the ability to make valuable connections with not only the entire AREAA membership but also the existing network of real estate professionals on RESAAS today.

“AREAA empowers its members with new business opportunities to serve Asian American communities,” said Ivan Choi, 2014 AREAA National Chair. “Delivering a social networking platform with RESAAS unites our growing membership and fosters communication about all of our events and initiatives in North America, and abroad internationally.”

AREAA now has 32 chapters across the US and Canada. Their membership is comprised of real estate, mortgage, government, and housing-related professionals that serve the diverse Asian American market.

“RESAAS has worked closely with and supported AREAA for many months now, starting in our hometown of Vancouver for AREAA’s first Canadian-based event, through to AREAA’s National Convention in Los Angeles, California this past fall,” said Tom Rossiter, President at RESAAS. “Providing the benefits of the RESAAS social network to all AREAA members, beginning with their own Young Professionals Network, [theEDGE](#) group in January, and then nationwide to all AREAA members in February, is a great next step in our relationship.”

About RESAAS SERVICES INC.

RESAAS, The Real Estate Social Network™, is designed specifically for the real estate professional to connect and communicate in real-time.
