### **RESAAS Welcomes Realty Network Group to The Real Estate Social Network™**

**VANCOUVER, B.C. (December 9, 2013)** – RESAAS Services Inc. (CNSX: RSS), The Real Estate Social Network™, is pleased to welcome Realty Network Group to the RESAAS Platform.

The Realty Network Group is a full-service real estate firm based out of Northeastern Pennsylvania, with a focus on The Abingtons, Greater Scranton, North Pocono and Mid-Valley areas. Driven by a strong team of REALTORS® who recognize the power and importance of technology in the real estate industry, their commitment to the needs of their customers has never been stronger.

“At Realty Network Group, we’re always looking for ways to be more social,” said Greg Solfanelli, Director of Marketing & Consumer Experience at Realty Network Group. “This is a benefit to our clients and it certainly enhances our team’s collaboration. We are excited to be partnering with RESAAS because they, like ourselves, use new technologies to break deeper into the digital landscape.”

When using RESAAS, each Realty Network Group agent will receive his or her own corporate branded agent page, and will be connected together privately to leverage the power of social networking to easily share activity within their firm and market their content across a dedicated real estate social network.

“I am so excited to bring Realty Network Group onto the RESAAS Platform,” said Alex Peyton, Account Executive at RESAAS. “Their firm provides new cutting-edge technologies to their buyers and sellers. They even have their own TV channel, [Realty Network TV](#), and now RESAAS.”

### **About RESAAS SERVICES INC.**

RESAAS, The Real Estate Social Network™, is designed specifically for the real estate professional to connect and communicate in real-time. Known as real estate broadcasts, RESAAS’ powerful reblasts® engine automatically generates all of your real estate workflow into invaluable social content that is instantly pushed out to the RESAAS platform and other social networks.
