

Unit Realty Group Joins RESAAS – The Real Estate Social Network™

VANCOUVER, B.C. (December 12, 2013) – RESAAS Services Inc. (CNSX: RSS), The Real Estate Social Network™, is thrilled to announce that Boston-based Unit Realty Group is joining the RESAAS platform.

Joe Schutt (REALTOR®, CRS, ABR®, e-PRO®, Green), Broker/Owner at Unit Realty Group, has a wealth of experience in real estate and has received nationwide recognition for his industry excellence. Joe is an Inman Ambassador for Inman Connect and Agent Reboot, is the 2014 President of the Massachusetts Chapter of the Council of Residential Specialists (CRS), serves on the Board of Directors for the Massachusetts Association of REALTORS® (MAR), and in 2011 was appointed to the Board of Directors for the National Association of REALTORS® as well.

Now he's joined RESAAS – The Real Estate Social Network™, along with his entire team at Unit Realty Group.

“Unit Realty Group employs cutting-edge technology for the ease and benefit of our clients. RESAAS is the perfect fit for just this reason,” said Joe Schutt, Broker/Owner at Unit Realty Group. “Not only will the use of the platform benefit our group of agents and our in-house communication, but it will also be used for the betterment of our clients. With RESAAS, our team can stay up-to-date with industry news, make new connections with other real estate agents, and market our properties in a forward-thinking manner.”

Unit Realty Group is not your run-of-the-mill Metro Boston real estate brokerage. Unit Realty Group is a boutique brokerage whose DNA consists of a distinctive blend of service excellence, city real estate solutions, community presence, green practices and tech-centricity. Being both locally owned and independent allows Unit Realty Group to conduct their business in a forward-thinking manner that speaks directly to their unique brand identity.

Each agent at Unit Realty Group will receive their own corporate branded agent page on RESAAS, and will be connected together into an exclusive group to communicate and stay connected with every group member within their real estate brokerage. In addition, Unit Realty Group will have its own corporate branded page in order to easily broadcast relevant information and market their company’s content across the entire RESAAS platform.

“Unit Realty Group is a very progressive and technology-savvy real estate brokerage located in the heart of Boston,” said Padraig Cullen, VP of Sales at RESAAS. “They exhibit values built around passion, performance, collaboration, and integrity, and their unique brokerage is a great

fit for the RESAAS platform. We are thrilled to welcome another regional leader to the real estate social network and look forward to working with the team at Unit Realty Group.”
