- Stephen Pearce has replaced Mehran Farmanara as Chief Financial Officer of the Company.
- Charlton & Company have been appointed auditors for the Company replacing BDO Dunwoody LLP. The change is related to management reorganization and not due to any reservations or reportable events by the prior auditor.

The Company thanks Jon and Mehran for their service and dedication to the Company and wish them well in their future endeavours.

The private placement previously announced in May 2008 will be amended such that the Company will issue up to 4,000,000 units at a price of \$0.05 per unit for gross proceeds of up to \$200,000. Each unit consists of one common share and one share purchase warrant entitling the holder to purchase one common share for a period of two years at a price of \$0.10 per share. Some of the proceeds already received were used as a loan to Suntech Energy Inc. (“Suntech”), formerly a subsidiary of the Company. Additional proceeds will be used for working capital.

About Suntech Energy Inc.

Suntech Energy Inc., formerly a subsidiary of Sunorca, but subsequent share issuances to the developers of the technology and additional financings reduced Sunorca’s interest to approximately 25%, was established to develop certain algae technology for the production of green energy from waste products. Sunorca agreed to make an interest free loan of \$350,000 to Suntech that will be paid back from proceeds of financings in Suntech.

Suntech is currently reviewing various business arrangements for its technology. Operations have been suspended pending additional financing support. While management believes Suntech has unique technology with significant potential, there can be no assurance additional resources can be found to further its development.
