Report on Business

1. Further to the acquisition of 101 mineral claim last December, St-Georges Platinum (Formerly ACAFW) positions itself as a junior Platinum, Palladium, Rhodium, Copper, Cobalt and Nickel explorer with projects in Quebec, Canada.

It jointly owns with Litewave Corp the Villebon property in Abitibi Quebec and eight North Shore properties that constitute the Manicouagan constellation and owns 100% of the Isukoustouc group of properties on the Quebec's North-Shore near the deep sea port town of Baie-Comeau.

Due to the potential of its Quebec North Shore properties, the recent Flow-Through private placement closed in March, will give the Company financial resources to generate value on these properties.

An historical agreement with the Innu Council of Pessamit has been under negotiation and was officially signed on May 4, 2010. The Company will announce a work program in the coming weeks and start work on the Isoukustouc group of properties located on the Innu ancestral territory as soon as possible.

Private Placement:

As previously announced in its January 10 2009 Press Release, the Company will finalize a non-brokered hard cash financing of a minimum of \$250,000 and a maximum of \$750,000 through the issuance of \$0.05 units consisting of one common share of the Company and one full 3 years warrant with a \$0.25 strike price. The \$0.05 price reservation has been extended until early May.

2. Management's activities focused on the completion of the Company's reorganization as well as on the initial exploration work currently done on the Villebon properties and on the Historical Agreement finalized with the Innu Council of Pessamit in early May.

All required filings to comply with CNSX policies have been completed and the change of name and of symbol became effective on May 4, as well as the stock consolidation on the basis of two (2) ACFAW.com Inc. common shares for one (1) new common share of St-Georges Platinum and Base Metals Ltd.

3. As already indicated in the previous report, the Company and Litewave Corp (St Georges' partner; OTC : LTWV) have initiated a 5,000 meters drilling campaign on their jointly owned Villebon Gold, Platinum, Nickel and Copper property located 45 kilometers South-East of the town of Val d'Or in Quebec. Work already started under the supervision of Noram Engineering and Mining Ltd of Delaware and Consul-Tek inc. of Val d'Or, Québec..

A press release will soon be issued with the Initial results.

4. All previous product development strategy related to the Company's previous activities has been put on hold by the Company until further decision is taken by the management and the Board.
5. No new contract with related parties to be disclosed in April 2010.
6. No contract termination nor financing cancellation in April 2010.
7. The acquisition of the 101 claims was valued at \$2,947,510 based on previous work done and on historical reserves, and paid by the issuance of 58,950,200 escrowed common shares (post-consolidation) was approved by the shareholders; these shares will be released every six months.
8. Acquisition of new customers or loss of customers: none in April 2010.
9. Brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks: no new development to be described in April 2010.
10. Employee hirings, terminations or lay-offs: Company currently works with consultants and sub-contractors.
11. Labour disputes: not applicable.
12. Legal proceedings: none to be reported.
13. Indebtedness incurred or repaid by the Issuer: not applicable.
14. Options granted: none in April 2010.

15. Loans to Related Parties: A loan of \$100,000 to Litewave Corp. which the Company is involved with in jointly owned properties, was approved by the directors and the final terms still have to be finalized.
16. Further to the March 3 Special and Annual Meeting, the current board of directors is as follows:
 - Francois (Frank) Dumas, Director, President and CEO
 - Mark Billings, Director and CFO
 - Peter H. Smith, Director
 - Michael Curtis, Director
 - Anthony Garcon, Director
 - François H. de Beaulieu, Chairman, Director
17. Mineral resources in stable countries represent a strong potential of value creation for shareholders. The expected Villebon reserve update should soon confirm it as well as the historical agreement recently signed with the Innu Council of Pessamit which gives St-Georges Platinum, a Junior Resource Company, a significant advantage on the market.
