### **About St-Georges Platinum & Base Metals Ltd.**

**St-Georges** is a junior Platinum, Palladium, Rhodium, Copper, Cobalt and Nickel explorer with projects in the Province of Quebec, Canada. The main focus of the Company is to advance exploration work on the Isoukoustouc group of properties within the Quebec North-Shore Manicouagan Trend and the Villebon properties lying just at the doorstep of the Quebec's Abitibi region.

### **About OTC Markets Group Inc.**

OTC Markets Group Inc. (OTCQX: OTCM) operates the world's largest electronic marketplace for broker-dealers to trade unlisted stocks. The OTC platform supports an open network of competing broker-dealers that provide investors with the best prices in over 10,000 OTC securities and was the third largest U.S. equity trading venue after NASDAQ and the New York Stock Exchange in 2010.

**The OTCQX** is the premium tier of the U.S. Over-the-Counter (OTC) marketplace and gives non-U.S. companies such as St-Georges access to U.S. investors. It offers transparent trading, superior information, and easy access through regulated U.S. broker-dealers. The OTCQX offers companies and their shareholders a level of marketplace services formerly available only on a U.S. exchange. The platform will allow the company to diversify its shareholder base in an environment focused on valuation and transparency.
