- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Business, Engineering, Science & Technology Discoveries Fund Inc. is registered as a labour sponsored investment fund corporation under the *Community Small Business Investment Funds Act* (Ontario). The primary objective of the Issuer is to achieve long-term capital appreciation for

shareholders. The Issuer primarily invests in equity and equity related securities such as preferred shares and debt obligations which are convertible into equities of eligible businesses which have the greatest potential for long-term growth. The Issuer primarily maintains an investment focus on niche businesses and other companies with a broader market focus which are capitalizing on innovative uses of engineering, science and technology. The Issuer diversifies its portfolio by investing in eligible companies that are in differing stages of development in a variety of high growth potential industries which, from time to time, may include telecommunications, information technology, computers and life sciences.

2. Provide a general overview and discussion of the activities of management.

Management is focused on pursuing the stated investment objectives of the Issuer by identifying new investments and continuing to support the existing portfolio investments.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

Not applicable. The Issuer is an investment fund and does not directly develop new products and services.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

Not applicable. The Issuer is an investment fund and does not directly develop new products and services.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.
