Further, certain consultants of Victory Gold that hold an aggregate of 400,000 stock options (the "**Victory Options**") and that will remain with Northern Gold upon completion of the Transaction, will receive one-half the number of replacement stock options of Northern Gold, having the same terms as the Victory Options, as applicable, but shall be exercisable at a price equal to double the exercise price of the Victory Options being exchanged.

In addition, the holder of a CDN\$250,000 convertible promissory note, plus accrued interest, of Victory Gold (the "**Victory Note**") shall be converted into Victory Shares, at a conversion price of \$0.20 per share.
