## **EXCALIBUR RESOURCES INTERSECTS MINERALIZATION AT SILVER KING**

**Vancouver, British Columbia, Excalibur Resources Ltd.** (the "Company") is pleased to report that 7 drill holes and about 400 meters have been completed in the current 2000 meter drill program on the Silver King project near Nelson, B.C. Excalibur geologists report that silver-copper-lead-zinc mineralization has been intersected, near surface, in 6 of the first 7 holes drilled. Sampling is in progress and results will be released as they become available.

---

Excalibur Resources Ltd. is a junior exploration mining company focused on the discovery, development and mining of economically viable precious and base metal mineral resources.
