## Part I

### Item 1. Business

#### Description of Business

IGEN Networks Corp. (“IGEN”, the “Company”, “we”, “our”) was incorporated in the State of Nevada on November 14, 2006 under the name of Nurse Solutions Inc. On September 19, 2008 the Company changed its name to Sync2 Entertainment Corporation and traded under the symbol SYTO. On September 15 2008 the Company became a reporting issuer in British Columbia, Canada. On May 26, 2009, the Company changed its name to IGEN Networks Corp., the Company’s common stock was assigned 45172B 10 2 as its new Cusip number, and the Company’s trading symbol was changed to IGEN effective June 30, 2009. On November 4, 2011, IGEN Business Solutions Inc., a wholly owned Canadian subsidiary of IGEN Networks Corp., was incorporated. On March 25, 2015, the Company was listed on the Canadian Securities Exchange (CSE) under the trading symbol IGN and the Company became a reporting Venture Issuer in British Columbia and Ontario, Canada.

The Company’s principal business is investing in or acquiring operating high tech companies and playing an active role in the management of these companies to mitigate risk and maximize their revenue growth. The Company defines itself as an “invasive” business accelerator. Through ownership of IGEN shares, the general public has an opportunity to participate in the financial growth and any liquidity events of these privately-held and IGEN-managed technology companies. The Company has primarily targeted companies with technologies or solutions in three specific areas: Machine to Machine (M2M) applications and technologies, Cloud-based software-as-a-service (SaaS) business applications, and specialized wireless broadband communications infrastructure. A secondary part of IGEN’s business is negotiating distribution agreements with organizations, typically in the above industries, and selling their products and services through the distribution channels of our portfolio companies, or newly developed global IGEN sales channels.

As of December 31, 2015 the Company had:

- i) Equity positions and distribution agreements with two Canadian privately held companies: Gogiro Internet Group, and Machlink Inc., in which it has 30.44% and 2.15% equity positions respectively;
- ii) A 100% equity position in Nimbo LLC, a privately held US company acquired in 2014;
- iii) A global distribution agreement with Star Solutions Inc., a privately held Canadian company; and
- iv) A software license and hardware supply agreement with GPS Holdings Ltd (GHD), a privately held US Company.

The Company has offices in the United States and Canada. The U.S. head office is located at 119 North Henry Street, Alexandria, Virginia 22314. The Canadian office is located at Suite 1025, 1185 Georgia Street, Vancouver BC, Canada, V6E 4E6. The Company’s phone number is 1-888-244-3650.

The Company itself currently owns no patents. The Company is in the process of securing trademarks and distribution licenses through increased ownership of privately held technology companies.

During the fiscal year ending December 31, 2014, the company spent approximately \$49,500 in consulting fees on research and development, approximately 25% of which was borne by customers. During the fiscal year ending December 31, 2015, the company spent approximately \$75,000 in consulting fees on research and development, none of which was borne by customers.

The Company is not aware of any government approval or regulations, other than those governing the normal course of business, which will affect its own business. However, the Company is invested in and foresees future investment in, or possible joint ventures with, companies for which local, regional or national regulatory approvals, particularly those pertaining to wireless networks or GPS-based applications, may apply.

The Company is not aware of any significant costs or effects of compliance with environmental laws.

The Company currently has 2 full-time employees and one part-time employee. All management activities are currently undertaken by Directors of the Company and the Company also relies on subcontractors for a number of professional services.

## Overview

In 2015 the Company continued to focus its efforts on generating more revenues, increasing shareholder value through increased investment or acquisition in portfolio companies, and managing growth of our invested companies. Highlights for the year include:

- On March 25, 2015, the Company announced approval for listing and commencement of trading on the Canadian Securities Exchange (CSE).
- On May 21, 2015 the Company announced the signing of a Major Account/Partner Program agreement between its wholly owned subsidiary Nimbo LLC ("Nimbo Tracking") and Verizon Wireless.
- On June 2, 2015 the Company announced Nimbo Tracking had signed a partnership and received an initial order with Star Shield Solutions LLC and Sky Force Technology Inc. to launch automotive dealership programs in Southern California.
- On October 13, 2015 the Company announced that Nimbo Tracking achieved PRM status within the Verizon Partner Program.
- On October 21, 2015 the Company announced Nimbo Tracking achieved a monthly shipping record of 1200 units to automotive dealerships.
- On October 27, 2015 the Company announced the launch of Nimbo Tracking's new automotive services platform for the Buy Here Pay Here market.
- On November 12, 2015 the Company announced the signing of a non-binding MOU to acquire Webtrak SA de CV, a Mexican private corporation that provides end-to-end GPS-based vehicle telematics and analytics services in Mexico.
- On December 9, 2015 announced the launch of Nimbofleet.com, a self-provisioning fleet management service for small fleets.
- Record annual revenues for the Company of \$1,035,820
- Growth in annual revenue of 43% over the previous year.
- Record annual gross profits of \$318,909
- Growth in annual gross profit of 7% over the previous year.
- Net loss of \$1,681,519 (net loss of \$718,805 when adjusted for one-time non-cash expenses, investment impairment, and receivables write-off).
- 23% reduction of net cash used in operating activities

Though Company was able to grow revenues and gross profits, and use less cash in operating activities, it did incur increased losses in 2015, and wrote down impaired investments and receivables resulting in a significant working capital deficiency at the end of the year. Management continues to believe however that through continued investment in sales channel growth, product development, and strategic acquisitions, the company remains poised for growth and eventual profitability.

*The reader is cautioned that the latter comment is forward-looking information, and actual results may vary to the extent that the company may not achieve profitable growth nor raise any required capital.*

## Financial Condition and Results of Operations

### Capital Resources and Liquidity

#### *Current Assets and Liabilities, Working Capital*

As of December 31, 2015, the Company had total current assets of \$175,544, a decrease of \$236,860 from the end of the year previous, due primarily to the Company writing off current receivables totaling \$186,190 owed by Gogiro Internet Group for which the Company believed collectability was adequately uncertain, and therefore merited taking a provision (see Note 6 to the consolidated financial statements). The remaining accounts receivables are primarily Nimbo LLC receivables which consist of monies owed to Nimbo by customers for products and services sold. A significant increase in pre-paid expenses was due to pre-payment in 2015, via share issuances, for services contracted to be provided through July 2017.

The Company's current liabilities as of December 31, 2015 were \$712,407, a significant increase of \$252,327 over those reported at the end of the 2014, the most significant contributors being an increase of \$176,225 in accounts payable due primarily to increased hardware purchases, and an increase in Notes Payable of \$63,646 due to the impact of a \$95,000 promissory note previously recorded as long-term liability becoming current. Nimbo LLC payables, which make up 70% of the Company's consolidated payables, remain primarily monies owed for cellular carrier services and device hardware. The remaining payables are made up of contractor fees, legal fees, auditing fees, accounting fees, and management and consulting fees owed to the Company's executive officers.

## [Table of Contents](#)

IGEN ended 2015 with a significant negative working capital of (\$536,683). Adequate working capital remains a core requirement for growth and profitability, and to facilitate further acquisitions. The Company continues to try to improve its working capital position through ongoing equity and debt financing.

### **Total Assets and Liabilities, Net Assets**

As of December 31, 2015 the Company's total assets were \$698,695, a decrease of \$485,248 from the year end prior. \$236,860 of this reduction is due to the reduction in current assets discussed above. The bulk of the remaining reduction is due to the company writing off the recorded value of its investment in Gogiro Internet Group. Though Gogiro continues to grow its top line and report nominal annual profit, the Company felt recoverability of the investment was questionable enough to justify recording impairment charges of \$227,957 (see Note 4 to the financial statements). The majority of the Company's assets remain \$505,508 in goodwill associated with the acquisition of Nimbo LLC in 2014. The Company continues to evaluate the assets and liabilities assumed in this acquisition, and may record adjustments to the purchase price allocation in the future.

As of December 31, 2015 the Company's total liabilities were \$746,389, up from \$540,494 reported the year prior. This increase was due to the increase in current liabilities previously discussed, plus the addition of derivative liabilities of \$33,982 primarily associated with accounting for foreign exchange risk for stock based compensation that was issued in foreign currency.

The above resulted in net assets as of December 31, 2015 being (\$47,694) and an accumulated deficit of \$7,675,552.

The company is continuing in its efforts to increase its asset base and raise funds to improve its working capital position.

As of the date these financial statements were issued the Company believes it has adequate working capital and projected net revenues and cash flows to maintain existing operations for approximately two months without requiring additional funding. The Company's business plan is predicated on raising further capital for the purpose of further investment and acquisition of targeted technologies and companies, to fund growth in these technologies and companies, and to expand sales and distribution channels for companies it currently owns or is invested. It is anticipated the Company will continue to raise additional capital through private placements or other means in the both the near and medium term.

*The reader is cautioned that the Company's belief in the adequacy of its working capital, the continuation and growth of future revenue, the ability of the Company to operate any stated period without additional funding, and the ability to successfully raise capital are forward looking statements for which actual results may vary, to the extent that the company may need capital earlier than anticipated and/or may not be able to raise additional capital.*

### **Results of Operations**

#### **Revenues and Net Income (Loss)**

##### **Revenues**

As of December 31, 2015, the Company had revenues of 1,035,820, a 43% increase over the revenue reported for 2014. Service-only revenues more than doubled to \$130,683, and hardware-only and hardware/software bundled sales grew 50% to \$905,137.

Costs of goods sold for 2015 were \$716,911, an increase of \$290,722, reflecting increased sales volumes, though at lower margins (see below). These costs are primarily mobile hardware and cellular carrier costs.

The resulting annual gross profit was \$318,909, a record for the Company, representing growth of 7% year on year. Gross margins of 31% were a reduction of 10% year on year, reflective of increasing volumes of lower margin product in 2015.

Though the Company was able to increase revenues and gross profit year on year, gross margins remain lower than plan. The Company continues to review hardware vendor, inventory, and order fulfillment strategies as well as product and service pricing models to try to improve overall margins. The Company also continues to work at increasing margins through increased service-only revenues.

##### **Expenses**

Expenses as of December 31, 2015 totaled \$1,681,519, an increase of \$762,660 over the previous year. However, 63% of this increase was one-time non-cash based expenses of \$480,178 associated with the granting and vesting of stock options to officers, directors, and consultants of the Company (see note 7 to the financial statements). A further 24% of this increase was a one-time write-down of \$186,190 in receivables and debt owed by Gogiro Internet Group that the Company deemed likely irrecoverable (see note 6 to the financial statements and the MD&A comments on current assets above). The company saw a significant reduction of \$151,756 in consulting and professional fees, however this was offset by an increase of \$239,231 in salaries and management fees.

[Table of Contents](#)

Not including the two one-time expenses totaling \$666,368 referred to above, and therefore on an adjusted or non-GAAP basis, expenses increased by \$145,917, or 17% over the equivalently adjusted expenses reported for the previous year.

**Net Income (Loss)**

As of December 31, 2015 the Company had a net loss of \$1,613,130 (or \$0.06 per basic & diluted share). This loss however, in addition to including the one-time non-cash and debt write-down expenses previously discussed, also includes the write off of \$227,957 in impairment of the Company's investment in Gogiro Internet Group (see previous MD&A discussion on Net Assets and Note 4 to the Financial Statements).

Not including the one-time expenses and the investment impairment referred to above, and therefore on an adjusted or non-GAAP basis, the Company had a net loss of \$718,805, an increase of \$170,207 over the equivalently adjusted net loss for 2014.

The Company continues to invest in personnel, channels, and product development in order to drive revenue growth and increase gross profits sufficient to enable the Company to achieve profitability.

**Cash Flows**

As of December 31, 2015 the Company saw a net decrease in cash of (\$22,757). The primary source of cash remained net proceeds from financing activities of \$312,163 (compared with \$431,192, in 2014). Cash used in operating activities of \$327,647 was a reduction of 23% from the \$424,439 in cash used in 2014.

As a smaller reporting company, the Company is not required to provide the information required by this item.

**Item 8. Financial Statements and Supplementary Data.**

The Company's consolidated financial statements for the year ended December 31, 2015 are included herewith.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To: the Board of Directors and Stockholders of  
IGEN Networks Corp.

We have audited the accompanying consolidated balance sheets of IGEN Networks Corp. (the “Company”) as of December 31, 2015 and 2014, and the related consolidated statements of operations, stockholders’ equity (deficit), and cash flows for the years ended December 31, 2015 and 2014. These consolidated financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company’s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of IGEN Networks Corp. as of December 31, 2015 and 2014, and the results of its operations and its cash flows for the years ended December 31, 2015 and 2014 in conformity with accounting principles generally accepted in the United States of America.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has incurred losses in developing its business, and further losses are anticipated. The Company requires additional funds to meet its obligations and the costs of its operations. These factors raise substantial doubt about the Company’s ability to continue as a going concern. Management’s plans in this regard are described in Note 1. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**IGEN NETWORKS CORP.****Notes to the Consolidated Financial Statements**

Year ended December 31, 2015

(Expressed in U.S. dollars)

**1. Nature and continuance of operations**

IGEN Networks Corp, ("IGEN", or the "Company") was incorporated in the State of Nevada on November 14, 2006. IGEN has three lines of businesses: investing in and managing for growth private high-tech companies that offer products and services in the domains of wireless broadband; negotiating distribution agreements with relevant organizations and selling their products and services through the distribution channels of IGEN; and commencing May 5, 2014, the Company was also in the business of providing vehicle tracking and recovery solutions to the automotive and power sport industries after the acquisition of Nimbo, LLC (Note 2).

These consolidated financial statements have been prepared on a going concern basis, which imply the Company will continue to realize its assets and discharge its liabilities in the normal course of business. The continuation of the Company as a going concern is dependent upon the continued financial support from its shareholders, on the ability of the company to grow its revenue base, on its ability to successfully grow the companies in which it is invested, and on the ability of the Company to obtain necessary equity financing to both support the latter objectives and to invest in and grow new companies. The Company has recurring losses since inception and had accumulated losses of \$7,675,552 as at December 31, 2015. These factors raise substantial doubt regarding the Company's ability to continue as a going concern. Although there are no assurances that management's plans will be realized, management believes that the Company will be able to continue operations into the future. These consolidated financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

**2. Business Acquisition**

Effective May 5, 2014 (the "Acquisition Date"), the Company took control of Nimbo, LLC ("Nimbo"), a corporation incorporated in Texas U.S.A., by acquiring 100% of the voting equity interest (the "Acquisition") of Nimbo. Nimbo is in the business of providing vehicle tracking and recovery solutions to the automotive and power sport industries. The Company intends on applying human resources and capital to help growing Nimbo LLC. The Company issued 2,500,000 common shares as consideration of the Acquisition. The fair value of these common shares was \$475,000, which was determined on the basis of the closing price of Igen's common share on the Acquisition Date.

In accordance with the FASB ASC 805, the Acquisition has been accounted for as a purchase of a business and the Company is identified as the acquirer. The fair value of the purchase consideration of \$475,000 was allocated to the assets acquired and liabilities assumed based on the estimated fair values on the date of acquisition as described below:

<b>Assets acquired</b>		
Cash	\$ 42,672	
Accounts receivable (net of \$9,258 provision for uncollectable)	117,727	
Inventory	21,312	
Prepaid	4,170	
Equipment	45,035	
Goodwill	505,508	
<b>Total</b>	<b>736,424</b>	
<b>Less liabilities assumed:</b>		
Accounts payable, accrued liabilities, and deferred revenue	261,424	
Fair value of assets acquired, net of liabilities assumed	<b>\$ 475,000</b>	

**IGEN NETWORKS CORP.****Notes to the Consolidated Financial Statements**

(Expressed in U.S. dollars)

**2. Business Acquisition (continued)**

The following table provides information of the revenue and net loss of Nimbo

	<b>Revenue</b> \$	<b>Net loss</b> \$
The actual result of Nimbo for the year ended:		
May 5 to December 31, 2014	681,351	(116,161)
December 31, 2015	1,035,820	(312,077)

**3. Summary of Significant Accounting Policies****a) Basic of presentation and consolidation**

These consolidated financial statements and related notes include the records of IGEN Networks Corp., its wholly owned subsidiary, IGEN Business Solutions Inc (incorporated in Canada) and Nimbo, LLC (incorporated in USA).

As discussed in Note 2, as of the completion of the Acquisition on May 5, 2014, the Company has started to consolidate the results of operation and cash flow of Nimbo to the Company's consolidated financial statement. As a result, the comparative figures in the consolidated statements of operations and consolidated statements of cash flow for the year ended December 31, 2014 (collectively the "2014 Comparative Figures") include the accounts of Nimbo only from the period from May 5 to December 31, 2014.

All intercompany transactions and balances have been eliminated. These condensed consolidated interim financial statements are presented in accordance with accounting principles generally accepted in the United States, expressed in US dollars, and, in management's opinion, have been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized as in the following:

**b) Use of estimates**

The preparation of these financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The Company regularly evaluates estimates and assumptions related to donated expenses, and deferred income tax asset valuations. The Company bases its estimates and assumptions on current facts, historical experience and various other factors that it believes to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities and the accrual of costs and expenses that are not readily apparent from other sources. The actual results experienced by the Company may differ materially and adversely from the Company's estimates. To the extent there are material differences between the estimates and the actual results, future results of operations will be affected.

**c) Loss per share**

Basic earnings (loss) per share are computed by dividing net income (loss) available to common shareholders (numerator) by the weighted average number of shares outstanding (denominator) during the period. Diluted earnings per share give effect to all dilutive potential common shares outstanding during the period including stock options, using the treasury stock method, and convertible preferred stock, using the if-converted method. In computing diluted earnings (loss) per share, the average stock price for the period is used in determining the number of shares assumed to be purchased from the exercise of stock options or warrants. Diluted earnings (loss) per share exclude all dilutive potential shares if their effect is anti-dilutive.

Because the effect of conversion of the Company's dilutive securities is anti-dilutive, diluted loss per share is the same as basic loss per share for the periods presented.

**IGEN NETWORKS CORP.**

**Notes to the Consolidated Financial Statements**

For the Year ended December 31, 2015

(Expressed in U.S. dollars)

d) Financial instruments

The Company adopted FASB ASC 820-10-50, "Fair Value Measurements". This guidance defines fair value, establishes a three-level valuation hierarchy for disclosures of fair value measurement and enhances disclosure requirements for fair value measures. The three levels are defined as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the assets or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 inputs to valuation methodology are unobservable and significant to the fair measurement.

The fair values of cash, accounts receivable, accounts payable and accrued liabilities approximate their carrying values due to the immediate or short-term maturity of these financial instruments. Foreign currency transactions are primarily undertaken in Canadian dollars. The fair value of cash is determined based on "Level 1" inputs and the fair value of derivative liability with convertible debt is determined based on "Level 2" inputs. The financial risk is the risk to the Company's operations that arise from fluctuations in foreign exchange rates and the degree of volatility to these rates. Currently, the Company does not use derivative instruments to reduce its exposure to foreign currency risk. Financial instrument that potentially subject the Company to concentrations of credit risk consists of cash. The Company places its cash in what it believes to be credit-worthy financial institutions.

e) Equipment

Office equipment and computer are recorded at cost. Amortization is provided annually at rates and methods over their estimated useful lives as follows, except in the year of acquisition when one half of the rate is used. Management reviews the estimates of useful lives of the assets every year and adjust them on prospective basis, if needed.

Office equipment	20% declining balance
Computer	55% declining balance
Software	3 years straight line

Property, plant and equipment are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs. Subsequent expenditure relating to an item of office equipment is capitalized when it is probable that future economic benefits from the use of the assets will be increased.

f) Revenue recognition

The Company recognizes revenue when earned, specifically when all the following conditions are met:

- Services are provided or products are delivered to customers.
- There is clear evidence that an arrangement exists.
- Amounts are fixed or can be determined.
- The ability to collect is reasonably assured.
- There is no significant obligation for future performance.
- The amount of future returns can be reasonably estimated.

g) Foreign currency transaction balances

The Company's reporting currency is the U.S. dollar. The consolidated financial statements of the Company are translated to U.S. dollars in accordance with ASC 830, Foreign Currency Translation Matters, using the exchange rate prevailing at the balance sheet date. Gains and losses arising on translation or settlement of foreign currency denominated transactions or balances are included in the determination of income.

Assets and liabilities of the Company's Canadian subsidiary are translated into U.S. dollars at the year-end exchange rates, and revenue and expenses are translated at the average exchange rates during the period. Exchange differences arising on translation are disclosed as a separate component of stockholders' equity.

**3. Summary of Significant Accounting Policies (continued)**

**h) Income taxes**

The Financial Accounting Standards Board (FASB) has issued FASB ASC 740-10. FASB ASC 740-10 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in accordance with prior literature FASB Statement No. 109, Accounting for Income Taxes. This standard requires a company to determine whether it is more likely than not that a tax position will be sustained upon examination based upon the technical merits of the position. If the more likely than not threshold is met, a company must measure the tax position to determine the amount to recognize in the financial statements. As a result of the implementation of this standard, the Company performed a review of its material tax positions in accordance with recognition and measurement standards established by FASB ASC 740-10.

Deferred taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carry-forwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax basis. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

**i) Stock-based compensation**

The Company records stock-based compensation in accordance with ASC 718, "Compensation – Stock Compensation", using the fair value method. All transactions in which goods or services are the consideration received for the issuance of equity instruments are accounted for based on the fair value of the consideration received or the fair value of the equity instrument issued, whichever is more reliably measurable.

The Company uses the Black-Scholes option pricing model to calculate the fair value of stock-based awards. This model is affected by the Company's stock price as well as assumptions regarding a number of subjective variables. These subjective variables include, but are not limited to the Company's expected stock price volatility over the term of the awards, and actual and projected employee stock option exercise behaviors. The value of the portion of the award that is ultimately expected to vest is recognized as an expense in the consolidated statement of operations over the requisite service period.

**j) Inventories**

Inventories are stated at the lower of cost or market with cost being determined on a first-in, first-out (FIFO) basis. Inventories as at December 31, 2014 and December 31, 2015 were solely finished goods that can be resold. There was no provision for inventory recorded during the year ended December 31, 2014 and December 31, 2015

**k) Deferred revenue**

As at December 31, 2014, and December 31, 2015, the Company had deferred revenues of \$54,484 and \$56,800 respectively. Annual service renewal fees are recorded as a component of deferred revenue in the balance sheets at the inception of the contract and are recognized as revenue evenly over the contract period, which is generally one year.

**l) Changes in accounting policies and recent accounting pronouncements**

The Company has not adopted new accounting policies since its most recent year ended December 31, 2014. The Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

**4. Investment in an associates and Investment****Investment**

The Company's investment consists of 43 common shares of Machlink Inc. ("Machlink") which is a private company conducting information technology business. The Company is not considered having significant influence in Machlink's operations. The shares of Machlink do not have quoted market prices in an active market.

During the year ended December 31, 2014, this investment was fully written off as management determined the investment cannot be recovered and the Company recorded an impairment loss of \$150,000 during the year ended December 31, 2014.

**Investment in an associate**

Pursuant to an option agreement, the Company incurred \$50,000 and \$50,000 (totaling \$100,000) to acquire 200,000 and 200,000 (totaling 400,000) common shares of Gogiro Internet Group ("Gogiro"), a private Canadian Company, on November 23, 2011 and October 17, 2012 respectively.

On March 12, 2013, the Company signed an agreement to acquire 2,078,080 shares of Gogiro through the issuance of 1,744,747 restricted common shares of the Company (the "Gogiro Acquisition"). Neil Chan, CEO and Director of both companies, would exchange 2,000,000 Gogiro shares for 1,666,667 restricted common shares of the Company. The proceeds of Gogiro Acquisition was \$174,475 which was the fair value of the 1,744,747 restricted shares of the Company.

Upon the completion of the Gogiro Acquisition in March 2013, the Company's interest on Gogiro increased to more than 30%. As a result, the Company has changed its method to account for its investment in Gogiro from "cost less impairment value" method to equity method as the Company's interest on Gogiro has surpassed 20% whereby the Company is considered having significant influence on Gogiro. The Company's ownership on Gogiro was 30.37 % during the year ended December 31, 2015. Consequently the Company has included Gogiro's income (losses) in the Company's consolidated financial statements in accordance to the percentage ownership. In addition, gains and losses resulting from 'upstream' and 'downstream' transactions between IGEN and Gogiro are recognized in IGEN's consolidated financial statements only to the extent of unrelated investors' interests in Gogiro. As at December 31, 2015, the Company reviewed the recoverability of the investment in Gogiro and concluded that the investment was fully impaired. As a result, the Company recorded impairment charges of \$227,957 for the year ended December 31, 2015. Changes in carrying value of the Company's investment in Gogiro are as follows:

	<b>Number of Gogiro shares owned</b>	<b>Amount (\$)</b>
Balance, December 31, 2013	2,478,080	241,338
Share of Gogiro's loss during fiscal 2014 December 31, 2014 (30.44%)	-	(14,263)
Balance, December 31, 2014	2,478,080	227,075

**7. Stockholders' Equity (Deficit) – Continued****e) Stock Options (continued)**

The fair values of stock options granted are amortized over the vesting period where applicable. During 2015, the Company recorded \$480,178 (2014 - \$49,625) stock-based compensation in connection with the vesting of options granted. The Company uses the Black-Scholes option pricing model to establish the fair value of options granted with the following assumptions:

	<b>2014</b>	<b>2015</b>
Expected dividend yield	0%	0%
Volatility	230%	170%
Risk free interest rate	1.52%	1.52%
Expected option life	5 years	5 years
Forfeiture rate	0%	0%

**8. Derivative liabilities**

Derivative liabilities consist of warrants that were originally issued in private placements and stock options granted that have exercise prices denominated in Canadian dollars, which differs from the Company's functional currency (United States dollars), (Note 7). Therefore these warrants and stock options cannot be considered to be indexed to the Company's own stock. Accordingly the fair values of the warrants and stock options must be accounted for as derivative liabilities with changes in fair value recorded in the consolidated statement of operations. The fair value of these warrants and options as at December 31, 2015 is \$33,982 (2014 - \$nil). The fair values of warrants and stock options as at December 31, 2015 were determined using the Binomial option pricing model the following assumptions: risk free interest rate of 0.86%-1.54%, expected life of 1.37-5.00 years, volatility of 103.19%-176.96% and expected dividend of 0%.

**10. Financial instruments****Credit Risk**

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company deposits cash and cash equivalents with high credit quality financial institutions as determined by rating agencies. As a result, credit risk is considered insignificant.

**Currency Risk**

The Company's major expenses and payables are in United States dollars and are expected to continue to incur in United States dollars. Fluctuations in the exchange rate between the United States dollar and other currency may have a material effect on the Company's business, financial condition and results of operations. The Company is subject to foreign exchange risk for transactions in its Canadian subsidiary and its investment in Gogiro, which is a Canadian company. The Company does not actively hedge against foreign currency fluctuations.

**Interest Rate Risk**

The Company has cash balances and no interest bearing debt. The Company's current policy is to invest excess cash in high yield term deposits and bankers' acceptance. The Company regularly monitors its cash management policy. As a result, interest rate risk is considered not significant.

**Liquidity Risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with its financial liabilities. The Company manages liquidity risk by continuously monitoring actual and projected cash flows and matching the maturity profile of financial assets and liabilities. As at December 31, 2015, the Company had a working capital deficiency of (\$536,863) (December 31, 2014 – working capital of \$32,676). The Company intends to have more equity financing and/or long term debt financing in order to eliminate the working capital deficiency and to the operations of the Company.

**11. Supplemental information for statements of cash flow**

Supplementary information in connection with the Company's cash flow is as follows:

	<b>2015</b>	<b>2014</b>

The components of future income tax assets are as follows:

	<b>Dec 31, 2015</b>	<b>Dec 31, 2014</b>
Future income tax assets		
Non-capital losses carried forward and others	\$ 1,771,239	\$ 1,589,431
Less: Valuation allowance	(1,771,239)	\$ (1,589,431)
Net future income tax assets	<hr/> <hr/> \$ -	<hr/> <hr/> \$ -

The Company has adopted FASB ASC 740-10 to account for income taxes. The Company currently has no issues creating timing differences that would mandate deferred tax expense. Net operating losses would create possible tax assets in future years. Due to the uncertainty of the utilization of net operating loss carry forwards, an evaluation allowance has been made to the extent of any tax benefit that net operating losses may generate. A provision for income taxes has not been made due to net operating loss carry-forwards of \$5,228,000 and \$4,664,000 as of December 31, 2015 and December 31, 2014, respectively, which may be offset against future taxable income through to 2035.

The Company did not have any tax positions for which it is reasonably possible that the total amount of unrecognized tax benefits will significantly increase or decrease within the next 12 months.

The tax years that remain subject to examination by major taxing jurisdictions are those for the years ended December 31, 2015, 2014, 2013, 2012 and 2011.

**13. Subsequent Events**

Subsequent to the year-ended December 31, 2015, the Company issued a total of 843,796 common shares of the Company

**Item 9. Changes in and Disagreements With Accountants on Accounting and Financial Disclosure.**

The Company did effect a change of accountants in 2010: on March 5, 2010, the audit committee of the Company's board of directors approved the dismissal of Child Van Wagoner & Bradshaw, PLLC (CVWB) as the Company's independent registered public accounting firm, and on the same date the audit committee engaged ACAL Group, which has since combined with A Chan & Company LLP, the Company's current auditors, to serve as the Company's independent accounting firm.

However there was no disagreements or any reportable events of the types described in paragraphs (a)(1)(iv) and (a)(1)(v) of Item 304(a) of Regulation S-K in connection with this change, and there have been no disagreements with accountants over the past two years.

**Item 9A. Controls and Procedures.**

**Disclosure Controls and Procedures**

The Company carried out an evaluation of the effectiveness of the Company's disclosure controls and procedures with the participation of all the Company's executives, the effectiveness of the Company's disclosure controls and procedures as of December 31, 2015. The conclusions of the Company's principal executives was that the controls and procedures in place were effective such that the information required to be disclosed in our SEC reports was a) recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and b) accumulated and communicated to our management, including our chief executive officer and chief operation officer, as appropriate to allow timely decisions regarding required disclosure.

**Internal Control over Financial Reporting**

As of December 31, 2015, management assessed the effectiveness of our internal control over financial reporting. The Company's management is responsible for establishing and maintain adequate internal control over financial reporting for the Company. Internal control over financial reporting is a set of processes designed by or under the supervision of the Company's CEO, COO and CFO (or executives performing equivalent functions) to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and includes those policies and procedures that:

- pertain to the maintenance of records that in reasonable detail accurately and fairly reflect our transactions and dispositions of our assets;
- provide reasonable assurance our transactions are recorded as necessary to permit preparation of our financial statements in accordance with GAAP, and that receipts and expenditures are being made only in accordance with authorizations of our management and directors;
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of our assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Therefore, even those systems determined to be effective can provide only reasonable assurance of achieving their control objectives. In evaluating the effectiveness of our internal control over financial reporting, our management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control – Integrated Framework. Based on that evaluation, they concluded that during the period covered by this report, though there are weaknesses in the Company's internal controls, given the current size of the organization, such internal controls and procedures as were in place were adequately effective to detect the inappropriate application of US GAAP.

**Item 9B. Other Information.**

During the fourth quarter of the fiscal year ended December 31, 2015 there was no information required to be reported on Form 8K which was not previously reported.

Mr. Nealon served as Adjunct Instructor of Corporate Law, George Washington University from 1985 until 2005. Mr. Nealon has been lead counsel on hundreds of commercial trials, including multi-million dollar derivative action lawsuits, security fraud and government contract fraud. He has been counsel to hundreds of corporations, including insurance affinity marketing, manufacturing and multiple financial institutions. Mr. Nealon has been active over the years in national politics and government relations.

Mr. Nealon was appointed to the Virginia Small Business Advisory Board by former Virginia Governor Warner and was reappointed to this state board by Governor Kaine through 2010 as its Chairman. Mr. Nealon is also a current appointee to the George Mason University Advisory Board for the Institute for Conflict Analysis and Resolution in Arlington, Virginia. He is a Director of the Alexandria Small Business Development Corporation. He is also an active member of the National Press Club and the Democratic National Club.

**Neil G. Chan, Chief Executive Officer & Director**

Mr. Chan is a career technologist who has pioneered the early adoption of disruptive technologies in more than 45 countries over the last 30 years. From start-up to \$400M in annual revenues, Mr. Chan has led and created the best-in-class sales, marketing, and service organizations during the development of wireless data infrastructure, mobile content, Software-as-a-Service for commercial fleets, and HFC broadband infrastructure. Mr. Chan led the first technology transfer initiative between Canada and Mainland China on behalf of Spar Aerospace and Gandalf Technologies Inc., during the mid-1980s along with training, product marketing and sales responsibilities for growing Gandalf's export markets; shortly after Mr. Chan was recruited to Motorola Inc., to lead the product marketing of the industry's first mobile data solutions for public safety, taxi, utility, and field service markets. Mr. Chan led Motorola's initiative to expand into public data networks throughout the Asia Pacific region during the 1990s and subsequently was promoted to Managing Director to lead the expansion of HFC data and voice broadband networks throughout the region. In the spring of 2000, Mr. Chan joined Airvana Inc., to lead business development for the early adoption of CDMA-based broadband wireless networks which today continue to serve millions of users throughout North America and Latin America. Most recently, Mr. Chan led worldwide sales and marketing of fleet management services for WebTech Wireless Inc., which contributed five years of record growth and industry leadership across government and transportation markets. Mr. Chan has served on the Executive Review Board of Royal Roads University and continues to mentor and support early stage technology companies.

**Richard Freeman, Chief Operating Officer & Director**

Mr. Freeman is a senior high-tech operations and product development executive with over 25 years experience managing leading-edge hardware and software communications solutions and services across a broad-range of technologies and international markets. Mr. Freeman's career began with Mobile Data International where he spearheaded adoption of early private wireless data networks for Taxi, Public Safety and Utility markets, overseeing 800Mhz radio Manufacturing Engineering, data terminal manufacturing, RF system design, and International sales support and system deployment. In the early 90's, Mr. Freeman was responsible for technical sales support and system implementation for Motorola's Wireless Data Group located in London and Paris. Mr. Freeman was instrumental in Motorola's successful launch into European Taxi markets, along with the global launch of data infrastructure with the responsibility for product definition, marketing, and implementation of wireless data infrastructure based on Motorola DataTAC and ARDIS network solutions.

Mr. Freeman subsequently joined Sierra Wireless where he led definition, development, and successful deployment of many world-class leading edge CDPD, 1xRTT, GPRS, and EVDO wireless data modem hardware and enabling software solutions for international markets. In 2002 Mr. Freeman joined WebTech Wireless, where he defined target markets and requirements for mobile hardware and Fleet Management services. Promoted to VP Operations he oversaw the successful growth of the organization, supporting ongoing 60% annual growth in shipments and software-as-a-service revenues, a tripling of personnel, five-fold growth in corporate and manufacturing facilities and infrastructure, and the successful implementation of many multiple multi-million dollar projects.

In 2011 Mr. Freeman was Sr. VP Operations and Product Management for Saturna Green Systems, focusing on developing embedded telematics solutions for the electric vehicle industry. Mr. Freeman holds a BaSC in Electrical Engineering from the University of British Columbia.

**Code of Ethics**

The Company has not yet adopted a complete code of ethics policy as defined in Item 406 of Regulation S-K, however the company has adopted a disclosure policy that applies to all directors, officers and employees of the Company, as part of a program to establish a comprehensive code of ethics. The Company's disclosure policy is available on its website [www.igen-networks.com](http://www.igen-networks.com).

**Audit Committee and Financial Expert**

The Company does not have an audit committee. The Company is still small and the functions of an audit committee are done by the board of directors as a whole, as specified in section 3(a)(58)(B) of the Exchange Act. As such the company has no audit committee financial expert serving on an audit committee. The board of directors however is confident in its ability as a whole to perform the functions required of an audit committee.

BYLAWS  
OF  
**Nurse Solutions Inc**

The following are the Bylaws Nurse Solutions Inc, a Nevada corporation:

**ARTICLE I. Office**

The principal office of the Corporation in the State of Nevada shall be located at such place as the Board of Directors may from time to time determine. The Corporation may have such other offices, either within or without the State of Nevada, as the Board of Directors may designate or as the business of the Corporation may require from time to time. The registered office of the Corporation as required by the Nevada Corporation Act to be maintained in the State of Nevada, may be, but is not required to be identical to the principal office and the address of the registered agent may be changed from time to time by the Board of Directors.

**ARTICLE II. Shareholders**

**SECTION 1. Annual Meeting.** The annual meeting of the Shareholders shall be held between January 1st and December 31st each year, on such date and at such hour as may be specified in the Notice of Meeting or in a duly executed Waiver of Notice thereof, for the purpose of electing Directors and for the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday in the State of Nevada, such meeting shall be held on the next succeeding business day. If the election of Directors shall not be held on the day designated herein for any annual meeting of the Shareholders, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the Shareholders as soon thereafter as conveniently may be. Failure to hold the annual meeting within the above-proscribed time shall not act as forfeiture or grounds for dissolution of the Corporation.

**SECTION 2. Special Meetings.** Special meetings of the Shareholders, for any purpose or purposes, may be called by the Board of Directors, by the holders of not less than one-tenth (1/10) of all the shares of the Corporation entitled to vote at the meeting, or by the President of the Corporation.

**SECTION 3. Place of Meeting.** The Board of Directors may designate any place, either within or without the State of Nevada, unless otherwise prescribed by statute, as the place of meeting for any annual meeting of Shareholders or for any special meeting of Shareholders called by the Board of Directors. If no designation is made by the Board, or if a special meeting is otherwise called, the place of meeting shall be the principal office of the Corporation in the State of Nevada. Notwithstanding the first two sentences of this Section, a Waiver of Notice signed by all Shareholders entitled to vote at a meeting, whether an annual or special meeting, may designate any place, either within or without the State of Nevada, unless otherwise prescribed by statute, as the place of the holding of such meeting.

**SECTION 4. Notice of Meeting.** Written or printed notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered to each Shareholder of record entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally or by first-class mail, by or at the direction of the President, the Secretary, or the person or persons calling the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the

United States mail addressed to the Shareholder at his address as it appears on the records of the Corporation, with the postage thereon prepaid. Notice may be waived in accordance with Article XII.

SECTION 5. Fixing of Record Date. The Board of Directors may fix a date, not less than ten (10) nor more than sixty (60) days before the date set for any meeting of the Shareholders, as the record date as of which the Shareholders of record entitled to notice of and to vote at such meeting and any adjournment thereof shall be determined.

SECTION 6. Quorum. A majority of the outstanding shares of the Corporation entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of the Shareholders. When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and any business may be transacted at the adjourned meeting that might have been transacted at the original date of the meeting. If, however, after the adjournment, the Board fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given in compliance with Section 4 of this article to each Shareholder of record on the new record date entitled to vote at such meeting. After a quorum has been established at a Shareholders' meeting, the subsequent withdrawal of Shareholders, so as to reduce the number of shares entitled to vote at the meeting below the number required for a quorum, shall not affect the validity of any action taken at the meeting or any adjournment thereof.

SECTION 7. Proxies. Every Shareholder entitled to vote at a meeting of shareholders or to express consent or dissent without a meeting, or his duly authorized attorney-in-fact, may authorize another person or persons to act for him by proxy. The proxy must be executed in writing by the Shareholder or his duly authorized attorney-in-fact. Such proxy shall be filed with the Secretary of the Corporation before or at the time of such meeting or at the time of expressing such consent or dissent without a meeting. No proxy shall be valid after the expiration of eleven (11) months of the date thereof unless provided otherwise in the proxy.

SECTION 8. Voting of Shares. Each outstanding share of stock shall be entitled to one (1) vote upon each matter submitted to a vote at a meeting of the Shareholders. If a quorum is present, the affirmative vote of a majority of the shares represented at the meeting and entitled to vote on the subject matter shall be the act of the Shareholders unless a greater number is required by the Nevada Statutes.

SECTION 9. Voting of Shares by Certain Holders. Shares of stock standing in the name of another corporation may be voted by the officer, agent or proxy designated by the Bylaws of the corporate Shareholder or, in the absence of any applicable bylaw, by such person as the board of directors of the corporate shareholder may designate. Proof of such designation may be made by presentation of a certified copy of the bylaws or other instrument of the corporate Shareholder. In the absence of any such designation or, in case of conflicting designation by the corporate Shareholder, the chairman of the board, the president, any vice president, the secretary, and the treasurer of the corporate shareholder shall be presumed to possess, in that order, authority to vote such shares.

Shares of stock held by an administrator, executor, guardian or conservator may be voted by him, either in person or by proxy, without a transfer of such shares into his name.

Shares of stock standing in the name of a trustee may be voted by him, either in person or by proxy, but no trustee shall be entitled to vote shares held by him without a transfer of such shares into his name.

Shares of stock standing in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name, if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.

A Shareholder whose shares of stock are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee or his nominee shall be entitled to vote the shares so transferred.

Treasury shares, shares of its own stock owned by another corporation the majority of the voting stock of which is owned or controlled by it, and shares of its own stock held by a corporation in a fiduciary capacity shall not be voted, directly or indirectly, at any meeting and shall not be counted in determining the total number of outstanding shares at any given time.

SECTION 10. Action Without a Meeting. Any action required by law to be taken at any meeting of Shareholders of the Corporation or any action which may be taken at a meeting of Shareholders, may be taken without a meeting, without prior notice, and without a vote if a consent in writing, setting forth the action so taken, shall be signed by the holders of all of the outstanding shares of stock in the Corporation. If any class of shares is entitled to vote as a class, such written consent shall be required of the holders of all of the shares of each class of shares entitled to vote as a class thereon and of the total shares entitled to vote.

In the event that the action to which the shareholder's consent is such as would have required the filing of a certificate under any other section of the law if such action had been voted on by shareholders in a meeting thereof, the certificate filed under such other section shall state that written consent has been given in accordance with the provisions of Nevada Statutes.

### **ARTICLE III. Board of Directors**

SECTION 1. General Powers. All corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the Board of Directors.

SECTION 2. Number, Tenure and Qualification. The number of Directors of the Corporation shall be established by resolution of the Shareholders from time to time, and may be increased or decreased from time to time, provided the Corporation shall always have at least one (1) Director. Each Director shall hold office until the next annual meeting of Shareholders and until his successor shall have been elected and qualified, or until his earlier resignation, removal from office, or death. Resignation of Directors shall be in accordance with Article V hereinafter.

SECTION 3. Removal. Any Director may be removed with or without cause by vote of the holders of a majority of the shares entitled to vote at an election of Directors, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of a director shall not of itself create contract rights.

SECTION 4. Regular Meetings. A regular meeting of the Board of Directors shall be held without other notice than this Bylaw, except as provided in Article XIV of these Bylaws, immediately after and at the same place as the annual meeting of Shareholders. The Board of Directors may provide, by resolution, the time and place for the holding of additional regular meetings without other notice than such resolution.

SECTION 5. Special Meetings. Special meetings of the Board of Directors may be called by the Chairman of the Board, by the President or by the lesser of a majority, or two Directors. The person or persons authorized to call special meetings of the Board of Directors may fix the place for holding any special meeting of the Board of Directors called by him/them.

SECTION 6. Notice. Notice of any special meeting shall be given at least five (5) days before the meeting by written notice delivered personally, or by mail, or by telegram or cablegram to each Director at his business address,

unless in case of emergency, the Chairman of the Board or the President shall prescribe a shorter notice to be given personally or by telegraphing each Director at his residence or business address. If a notice of meeting is mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. Any Director may waive notice of any meeting, before or after the meeting in accordance with Article XII. The attendance of a Director at a meeting shall constitute a waiver of notice of such meeting and a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when a Director states, at the beginning of the meeting, any objection to the transaction of business because the meeting is not lawfully called or convened.

SECTION 7. Quorum. A majority of the number of Directors fixed pursuant to Section 2 of this Article shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. A majority of the Directors present, whether or not a quorum exists, may adjourn any meeting of the Board of Directors to another time and place. Notice of any such adjourned meeting shall be given to the Directors who were not present at the time of the adjournment and, unless the time and place of the adjourned meeting are announced at the time of the adjournment, to the other Directors.

SECTION 8. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

SECTION 9. Vacancies. Any vacancy occurring in the Board of Directors, including any vacancy created by reason of an increase in the number of Directors, may be filled by the affirmative vote of a majority of the Shareholders. A Director elected to fill a vacancy shall hold office only until the next election of Directors by the Shareholders, or until his earlier resignation, removal from office or death.

SECTION 10. Compensation. By resolution of the Board of Directors, the Directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors, and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as Director. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation therefore.

SECTION 11. Presumption of Assent. A Director of the Corporation who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken, unless he votes against such action or abstains from voting in respect thereto because of an asserted conflict of interest.

SECTION 12. Constructive Presence at a Meeting. A member of the Board of Directors may participate in a meeting of such Board by means of a conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other at the same time. Participating by such means shall constitute presence in person at a meeting.

SECTION 13. Action without a Meeting. Any action required by law to be taken at any meeting of the Directors of the Corporation or any action which may be taken at a meeting of the Directors, may be taken without a meeting if a consent in writing, setting forth the action so to be taken, signed by all of the Directors, is filed in the minutes of the proceedings of the Board. Such consent shall have the same effect as a unanimous vote.

#### ARTICLE IV. Officers

SECTION 1. Number and Qualifications. The officers of the Corporation shall be the President, a Secretary and a Treasurer, each of whom shall be elected by the Board of Directors. Such other officers and assistant officers

and agents as may be deemed necessary may be elected or appointed by the Board of Directors. Any two (2) or more offices may be held by the same person.

**SECTION 2. Election and Term of Office.** The officers of the Corporation shall be elected annually by the Board of Directors at the regular meeting of the Board of Directors held after each annual meeting of the shareholders. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until his successor shall have been duly elected and shall have qualified or until his earlier resignation, removal from office or death. Resignation of officers shall be in accordance with Article V.

**SECTION 3. Removal.** Any officer or agent elected or appointed by the Board of Directors may be removed by the Board of Directors with or without cause, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer or agent shall not of itself create contract rights.

**SECTION 4. Vacancies.** A vacancy, however occurring, in any office may be filled by the Board of Directors for the unexpired portion of the term.

**SECTION 5. President.** The President shall be the principal executive officer of the Corporation and, subject to the control of the Board of Directors, shall in general supervise and control all of the business affairs of the Corporation. He shall, when present, preside at all meetings of the Shareholders and of the Board of Directors, unless the Board of Directors has elected a Chairman of the Board and the Chairman of the Board is present at such meeting. The President may sign deeds, mortgages, bonds, contracts, or other instruments which the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws to some other officer or agent of the Corporation, or shall be required by law to be otherwise signed or executed, and in general shall perform all duties as from time to time may be assigned to him by the Board of Directors.

**SECTION 6. Vice-President.** If a Vice-President is elected or appointed, in the absence of the President or in the event of his death, inability or refusal to act, the Vice-President shall have the duties of the President, and when so acting, shall have all the powers of, and be subject to all the restrictions upon, the President. The Vice-President shall perform such other duties as from time to time may be assigned to him by the President or the Board of Directors.

**SECTION 7. Secretary.** The Secretary shall: (a) keep the minutes of all the meetings of the shareholders and the Board of Directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; (c) be custodian of the corporate records and of the seal of the Corporation and see that the seal of the Corporation is affixed to all documents the execution of which on behalf of the Corporation under its seal is duly authorized; (d) keep a register of the post office address of each shareholder; (e) have general charge of the stock transfer books of the Corporation; and (f) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the President or by the Board of Directors.

**SECTION 8. Treasurer.** The Treasurer shall: (a) have charge and custody of and be responsible for all funds and securities of the Corporation; receive and give receipts for moneys due and payable to the Corporation from any source whatsoever, and deposit all such moneys in the name of the Corporation in such banks, trust companies or other depositories as shall be selected in accordance with the provisions of Article VI of these Bylaws; and (b) in general perform all of the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him by the President or by the Board of Directors. If required by the Board of Directors, the Treasurer

shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine.

SECTION 9. Salaries. The salaries of the officers shall be fixed from time to time by the Board of Directors and no officer shall be prevented from receiving such salary by reason of the fact that he is also a Director of the Corporation.

SECTION 10. Disqualification of an Officer. If any officer is elected to a public office or accepts employment that, pursuant to existing law, places restrictions or limitations upon his continued rendering of service to the Corporation, then such officer shall no longer be qualified to serve as an officer to the Corporation and he shall be deemed to have forthwith submitted his resignation as an officer of the Corporation.

#### ARTICLE V. Resignations

Any Director or Officer of the Corporation may resign at any time by giving written notice to the Board of Directors, and if there are no Directors then to all of the Shareholders. Any such resignation shall take effect at the time specified therein, or, if the time be not specified therein, upon its acceptance by the party or parties to whom notice is given hereunder.

#### ARTICLE VI. Contracts, Loans, Checks and Deposits

SECTION 1. Contracts. The Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, unless otherwise restricted by law. Such authority may be general or confined to specific instances.

SECTION 2. Loans. No loans shall be contracted on behalf of the Corporation and no evidence of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances.

SECTION 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation, shall be signed by such officer or officers, agent or agents of the Corporation and in such manner as shall from time to time be determined by resolution of the Board of Directors.

SECTION 4. Deposits. All funds of the Corporation not otherwise employed shall be deposited from time to time to the credit of the Corporation in such banks, trust companies or other depositories as the Board of Directors may select.

#### ARTICLE VII. Certificates for Shares and Their Transfer

SECTION 1. Certificates for Shares. Certificates representing shares of the Corporation shall be in such form as shall be determined by the Board of Directors. Such certificates shall be signed by the President and by the Secretary or by such other officers authorized by law and by the Board of Directors so to do. All certificates for shares shall be consecutively numbered or otherwise identified. The name and address of the person to whom the shares represented thereby are issued, with the number of shares and date of issue, shall be entered in the corporate records. All certificates surrendered to the Corporation for transfer shall be cancelled and no new certificate shall be issued until the former certificate for a like number of shares shall have been surrendered and cancelled, except that in case of a

lost, destroyed or mutilated certificate a new one may be issued therefore upon such terms and indemnity to the Corporation as the Board of Directors may prescribe.

SECTION 2. Transfer of Shares. Transfer of shares of the Corporation shall be made in the records of the Corporation only when the holder of record thereof or his legal representative, or his attorney thereunto authorized by power of attorney duly executed and filed with the Secretary of the Corporation, shall furnish proper evidence of authority to transfer, and when there is surrendered for cancellation the certificate for such shares, properly endorsed. The person in whose name shares stand on the books of the Corporation shall be deemed by the Corporation to be the owner thereof for all purposes.

#### ARTICLE VIII. Fiscal Year

The fiscal year of the Corporation shall be as determined by the Board of Directors of the Corporation.

#### ARTICLE IX. Dividends

The Board of Directors may from time to time declare, and the Corporation may pay, dividends on its outstanding shares in the manner and upon the terms and conditions provided by law and its Articles of Incorporation.

#### ARTICLE X. Indemnification

The Corporation shall indemnify any Director or officer or any former Director or officer, to the full extent permitted by law.

#### ARTICLE XI. Seal

The Board of Directors may provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the Corporation and the state of incorporation and the words, "Corporate Seal". As an alternative to an official corporate seal, the signature of the Secretary or other officer of the Corporation on a facsimile or graphical image of a corporate seal shall serve as the official "corporate seal" of the Corporation.

#### ARTICLE XII. Waiver of Notice

Unless otherwise provided by law, whenever any notice is required to be given to any Shareholder or Director of the Corporation under the provisions of these Bylaws or under the provisions of the Articles of Incorporation, a waiver thereof in writing, or written consent as to the action to be taken for which the notice was given, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

#### ARTICLE XIII. Rules of Order

Roberts' Rules of Order shall prescribe the rules of conduct for all meetings of the Corporation so far as not inconsistent with the laws of Nevada, with the Articles of Incorporation, or with these Bylaws.

#### ARTICLE XIV. Amendments

These Bylaws may be altered, amended or repealed and new Bylaws may be adopted by a vote of a majority of the Shareholders, at any annual Shareholders' meeting or at any special Shareholders' meeting, provided notice of the proposed change is given in the notice of such meeting. If there is a proposed change to be taken up at a meeting of the Shareholders, notice of such meeting must be given under the terms of Article II, Section 4 of these Bylaws.

#### ARTICLE XV. Procedure Upon Death or Disqualification of a Sole Shareholder

As provided in Article II of the Articles of Incorporation of the Corporation, the Corporation shall have perpetual existence. Therefore, in the event of the death or disqualification of a sole Shareholder, then, and in that event, unless the stock of the deceased or disqualified Shareholder is sold to a person who is qualified to be a Shareholder of the Corporation pursuant to the provisions of Section 11 of Article II of these bylaws, the Articles of Incorporation of the Corporation shall be forthwith amended so that it may continue on as a general corporation to conduct other businesses authorized by the provisions of Nevada Statutes.
