INFORMATION CIRCULAR

September 16, 2019

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general meeting of shareholders (the “**Notice**”) of TruTrace Technologies Inc. (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (the “**Shares**”) of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held at 11:00 a.m. on Wednesday, October 16, 2019 at the offices of Clark Wilson LLP, 900 – 885 West Georgia Street, Vancouver, British Columbia, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is September 16, 2019. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each common share that such Shareholder holds on the record date of September 9, 2019 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares of a Shareholder on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the**

Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares under NI 54-101 and Form 54-107F1 - *Request for Voting Instructions Made by Intermediary*. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. As of the record date, determined by the board of directors of the Company (the "**Board**") to be the close of business on September 9, 2019, a total of 82,244,382 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended April 30, 2019, together with the auditor's report thereon, will be presented to the Shareholders at the Meeting. The Company's financial statements and management discussion and analysis are available on SEDAR at www.sedar.com.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at five (5). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management of the Company recommends the approval of setting the number of directors of the Company at five (5).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal.

Orders

Except as set forth below, to the best of management's knowledge, no proposed director of the Company is, or within the ten (10) years before the date of this Information Circular has been, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

James Carter was a director of ScotOil Petroleum Limited, a company listed on the TSXV at the relevant time, at the time it was subject to cease trade orders issued by the British Columbia Securities Commission (the "BCSC") on March 3, 2010, the Alberta Securities Commission (the "ASC") on March 2, 2010 and the Ontario Securities Commission (the "OSC") on March 12, 2010, for failure to file annual audited financial statements, related management's discussion and analyses and certifications and an annual information form for its financial year ended December 31, 2008 and for its interim financial periods ended March 31, 2009, June 30, 2009 and September 30, 2009 and related management's discussion and analyses and certifications. The cease trade orders were revoked by the BCSC and the ASC on June 8, 2011 and the OSC on June 9, 2011.

Bankruptcies

Other than disclosed below, no proposed director of the Company is, or within ten (10) years before the date of this Information Circular, has been, a director or an executive officer of any company that, while the person was acting in that capacity, or within a year of that person ceasing to act in the capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets or made a proposal under any legislation relating to bankruptcies or insolvency.

On November 6, 2006, Cameron Chell filed a Notice of Intention to Make a Proposal under the *Bankruptcy and Insolvency Act* (Canada). RSM Richter Inc. was appointed as Mr. Chell's trustee. Mr. Chell was absolutely discharged from bankruptcy on May 18, 2010. Mr. Chell's bankruptcy related to the calling of a \$3 million personal guarantee Mr. Chell made to HSBC with respect to an operating line of credit granted by HSBC to Logicorp Data Systems, Ltd. ("**Logicorp**"). HSBC has initially granted Logicorp the line of credit without requiring a personal guarantee. However, Logicorp subsequently became subject to a number of reseller rebate claims that adversely affected its financial position and, once this became known to HSBC, HSBC attempted to reduce the operating level amount available upon which Logicorp could draw under the line of credit. At the time, Mr. Chell was a significant shareholder of Logicorp's parent company, Chell Group Corporation, as well as a director and officer of Logicorp. In negotiations

with HSBC, it was agreed that Mr. Chell would provide a personal guarantee to HSBC in order to maintain the previous operating level under the line of credit. Ultimately, Logicorp defaulted on the line of credit and HSBC called on Mr. Chell's personal guarantee.

Penalties and Sanctions

Except as disclosed below, to the best of management's knowledge, no proposed director of the Company has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Pursuant to a settlement agreement (the "**Settlement Agreement**") dated November 6, 1998 that Cameron Chell signed with the Alberta Stock Exchange (the "**ASE**"), Mr. Chell agreed to the following sanctions:

- prohibition against ASE Approval (as defined in the General By-law of the ASE) in any capacity for a period of five years commencing November 6, 1998;
- a fine in the sum of \$25,000;
- strict supervision for a period of two years following re-registration in any capacity; and
- close supervision for a period of one year following the period of strict supervision described above.

The matters respecting the Settlement Agreement are as set forth in an ASE Notice to Members dated November 12, 1998, which provides that:

- representations were made by the promoter of a company to one of Mr. Chell's clients that he would only be permitted to purchase securities in the initial public offering of that company if he would agree to purchase additional securities in the secondary market following the listing on the Alberta Stock Exchange and, in or around March or April, 1996, Mr. Chell disclosed confidential information to the promoter of that company concerning a client's account with respect to a cheque returned non-sufficient funds to Mr. Chell's employer;
- the investment objectives for two of Mr. Chell's clients were amended without prior knowledge or consent of such clients and purchases and sales of securities were subsequently executed in the accounts of such clients which were unsuitable for the clients given the stated investment objectives for the accounts prior to the amendment of such investment objectives;
- Mr. Chell executed a total of 21 transactions in the accounts of two of Mr. Chell's clients without prior knowledge or authorization of such clients;
- the signature on the new client account form for one of Mr. Chell's clients, which purported to be that of the client was not in fact the signature of the client nor did such client have any knowledge of any changes made to the investment objectives for his account(s);
- on or about June 10, 1996, the address for the account of one of Mr. Chell's clients was changed to Mr. Chell's local post office box address without such client's knowledge and while the client was resident in Ontario. As a result, during the period of June 10 to and including September, 1996, the client did not receive any trade confirmations or accounts statements with respect to her accounts with Mr. Chell;

- on or about March 19, 1996, Mr. Chell permitted one of his clients to acquire approximately 4% of the total initial public offering by a company, contrary to the rules of the Alberta Stock Exchange;
- on or about October 19, 1996, Mr. Chell purchased securities of a company in the account of one of his clients without disclosing the involvement of his brother as president of that company;
- on or about June 23, 1996, the private placement questionnaire & undertaking completed in connection with the purchase by one of Mr. Chell's clients and filed with the Alberta Stock Exchange disclosed that Mr. Chell's client was a resident of Alberta when in fact such client was a resident of Ontario. Mr. Chell knew or ought to have known that it contained a misstatement of fact in that regard;
- during the period of the summer 1996 to and including May 1997, Mr. Chell's day to day involvement as the president and chairman of Coffee.Com Interactive Café Corp. ("Coffee.Com") as well as being a shareholder was not disclosed to Mr. Chell's employer. Further, Mr. Chell purchased securities offerings via private placement by Coffee.Com for certain of his clients without fully disclosing his involvement with that company to such clients;
- on or about March 18 and June 19, 1996, Mr. Chell executed purchase of securities for Ontario residents. At the time of such purchases, Mr. Chell knew or ought to have known that he was not registered in the province of Ontario;
- during the summer of 1996, Mr. Chell represented to the Alberta Stock Exchange that certain purchasers of securities offered via private placement were close friends and business associates when he knew or ought to have known that such representations were untrue; and
- during the period of June 19, 1996 and to and including May 1, 1997, Mr. Chell failed to obtain the prior approval of his employer for advertisements and sales literature distributed by Mr. Chell regarding Coffee.Com.

Mr. Chell was the President, Chief Executive Officer and Chairman of the board of directors of the Chell Group Corporation (the "**Chell Group**") at the time the Chell Group was de-listed from the Nasdaq Stock Market Inc. ("**Nasdaq**"). On December 5, 2001, Nasdaq notified the Chell Group that it did not comply with either of the Nasdaq's \$2,000,000 net tangible assets or minimum \$2,500,000 stockholders' equity requirements for continued listing. Subsequently the Chell Group made a request to continue its listing on the Nasdaq SmallCap Market, which request was denied. The Chell Group appealed the Nasdaq's determination to deny the listing on the Nasdaq SmallCap Market, which appeal was also denied. Effective June 27, 2002, the Chell Group was de-listed from the Nasdaq.

Stock Option Plans and Other Incentive Plans

The Company's current stock option plan (the "**Plan**"), which it adopted in 2018, is a "fixed" number stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, is fixed at 16,000,000 Shares. The Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase Shares. As at September 9, 2019, there were 14,900,000 options outstanding under the Plan.

The purpose of the Plan is to give to Eligible Persons (as defined in the policies of the TSXV) the opportunity to participate in the success of the Company by granting to such individuals options to acquire common shares of the Company in accordance with the terms of the plan, thereby giving such Eligible Persons an ongoing proprietary interest in the Company.

The following information is intended as a brief description of the Plan and is qualified in its entirety by the full text of the Plan, which is attached as Schedule "E" to the Company's filing statement dated May 10, 2018, which was filed under the Company's profile on SEDAR on May 14, 2018 and is available at www.sedar.com:

1. The Board shall establish the exercise price at the time each Option is granted, subject to the following conditions:
 - (a) if the Shares are listed on the TSXV, the exercise price will not be less than the minimum prevailing price permitted by TSXV policies;
 - (b) if the Shares are not listed, posted and trading on any stock exchange or bulletin board, then the exercise price will be determined by the Board at the time of granting;

 - (d) in all other cases, the exercise price shall be determined in accordance with the rules and regulations of any applicable regulatory bodies.
- 2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, without having been exercised in full, the number of Shares in respect of the expired or terminated option shall again be available for a grant under the Plan.
- 3. No option granted under the Plan may have an expiry date exceeding ten years from the date on which the option is granted (unless automatically extended as a result of a blackout period as described below).
- 4. The expiry date of each option will be automatically extended if the expiry date falls within a period during which the Company prohibits optionees from exercising their options, provided that:
 - (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;
 - (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
 - (c) the automatic extension will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.
- 5. Options granted to any one individual in any 12 month period cannot exceed more than 5% of the issued Shares, unless the Company has obtained disinterested shareholder approval.

- 9. If a director, employee or consultant of the Company is terminated for cause, then any option granted to the option holder will terminate immediately upon the option holder ceasing to be a director, employee, or consultant of the Company by reason of termination for cause.

10. If an option holder ceases to be a director, employee or consultant of the Company (other than by reason of death, disability or termination of services for cause), or if an optionee resigns, as the case may be, then any option granted to the holder that had vested and was exercisable on the date of termination will expire on the earlier of the expiry date and the date that is 90 days following the date that the holder ceases to be a director, employee or service provider of the Company.
11. If the engagement of an option holder engaged in investor relations activities as a consultant is terminated for any reason other than cause, disability or death, any option granted to such holder that was exercisable and had vested on the date of termination will be exercisable until the earlier of the expiry date and the date that is 30 days after the effective date of the holder ceasing to be a consultant.
12. If an option holder dies, the holder's lawful personal representatives, heirs or executors may exercise any option granted to the holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the holder.

If an option holder ceases to be a director, employee or consultant of the Company as a result of a disability, the holder may exercise any option granted to the holder that had vested and was exercisable on the date of disability until the earlier of the expiry date and one year after the date of disability.
14. Options granted to directors, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
15. The Plan will be administered by the Board who will have the full authority and sole discretion to grant options under the Plan to any eligible party, including themselves.
16. Options granted under the Plan shall not be assignable or transferable by an option holder.
17. The Board may from time to time, subject to regulatory or shareholder approval, amend or revise the terms of the Plan.

The Plan provides that other terms and conditions may be attached to a particular option at the discretion of the Board.

Oversight and Description of Director and NEO Compensation

The Board appointed a compensation committee (the "**Compensation Committee**") consisting of James Carter (Chair), Swapan Kakumanu and Michael Kraft. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the Compensation Committee in consultation with the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Compensation Committee in consultation with the Board.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the chief executive officer, if any, in this regard.

Executive officers' compensation is currently composed of two major components: a short term compensation component, which includes the payment of management fees to certain NEOs, and a long-term compensation component, which includes the grant of stock options under the Plan. Management fees primarily reward recent performance and incentive stock options encourage NEOs and directors to

continue to deliver results over a longer period of time and serve as a retention tool. The Company intends to further develop these compensation components.

The management fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time.

The second component of the executive officers' compensation is stock options. The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the shareholders of the Company. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance.

Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the performance of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The Company relies on Board discussion, without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in management fees are to be evaluated on an individual basis and are performance and market-based. The Company does not use a "peer group" to determine compensation.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.
