

PRESS RELEASE

STOMPY BOT ENTERS INTO SERVICE AGREEMENT WITH ESL GAMING TO LAUNCH AND HOST WEEKLY eSPORTS TOURNAMENTS

January 26, 2018 - Toronto, Ontario - Stompy Bot Corporation (CSE: BOT) (“**Stompy Bot**” or the “**Company**”) is pleased to announce that it has entered into a contract with ESL Gaming (“**ESL**”), a worldwide leader in eSports, pursuant to which ESL has agreed to produce, launch and administer the weekly ongoing tournament program for the Company’s first party video game, Heavy Gear® Assault and, ultimately, the Company’s portfolio of games. ESL targets more than 131 million global eSports audience members and has generated in excess of \$696 million in revenue in 2017.

Vince McMullin, Chief Technology Officer of the Company, said: “Heavy Gear® Assault is uniquely positioned to bring ESL players together in international competition. We hope to continue expanding upon the successful launch of our title Heavy Gear® Assault on Steam Early Access by increasing user support through our ESL tournaments. We are also excited to introduce the use of the Company’s newly acquired blockchain technology to provide ERC20 Redemption Tokens to match winners of the ESL tournaments. With 6.9 million users on ESL Play, we believe that ESL will enable a substantial audience to connect with the Heavy Gear® Assault franchise through weekly prized tournaments with the added incentive of the ERC20 Redemption Tokens”.

About Stompy Bot

Stompy Bot Corporation is the world’s first peer-to-peer, de-centralized digital entertainment company. Supporting video gamers, developers, and content creators – worldwide. Each day billions of consumers worldwide enjoy digital entertainment products. Stompy Bot plans to deliver a fully transparent distribution, publishing, and marketing platform for videogames and eSports events through our innovative tokenization system known as TokenPlay.
