

**CHEMISTREE TECHNOLOGY INC. ANNOUNCES APPOINTMENT OF
JUSTIN CHORBAJIAN TO BOARD**

- Announces \$800,000 USD Term Loan Credit Facility

Vancouver, British Columbia, August 28, 2017 – Chemistree Technology Inc. (Canadian Securities Exchange: CHM) (the “Company”) is pleased to announce that Mr. Justin Chorbajian has been appointed to the Board of Directors of the Company.

Mr. Chorbajian is the creator and owner of the largest chain of privately owned hydroponic shops in Canada. He created Green Planet Nutrients and Green Planet Wholesale Ltd., a British Columbia based company specializing in the wholesale distribution of quality impact products for the indoor gardening, hydroponic, and hobby greenhouse market. Green Planet represents over 40 different brands, selling thousands of individual products ranging from Lighting technology to grow mediums, CO2 Equipment, Nutrients, Odor Control & Air Quality systems, Water Purification and more. Green Planet distributes to clients in the UK, Australia, and across North America. Mr. Chorbajian has run his company for over 20 years and in that time become a highly regarded consultant to the cannabis cultivation, processing and marketing industry.

Mr. Chorbajian said “I am pleased to have been asked to join the board of Chemistree. I believe strongly that their business target of providing social media marketing services to what I see as a highly fragmented industry will be successful. There are so many small players in need of a voice and help with creating and marketing their brands. I hope I can offer Chemistree my experience, advice and my extensive contact base across this and other industries I am involved in. I believe Chemistree will have an immediate and positive impact on many businesses that are currently underserved.”

Chemistree president Karl Kottmeier commented, “I am happy to welcome Justin to the board of Chemistree. He clearly is very familiar with the vast majority of the companies in the cannabis space and has a tremendous rapport with many of them. As well he has deep experience in marketing and brand development which will be very valuable to us as we work to expand our social media service offering both in and outside of the cannabis industry.”
