

Vancouver, British Columbia, September 7, 2017 – Chemistree Technology Inc. (Canadian Securities Exchange: CHM) (the “Company”) is pleased to announce the appointment of Mr. Jeremy Deichen to the position of Manager, Social Media Business Development.

As our relationship with LG Digital has advanced and we have worked directly with Jeremy, we have been impressed with not only his content creation skills but more importantly the relationships he has with the numerous growers, processors and retailers across the cannabis space in the Pacific Northwest. We quickly realized that Jeremy would be ideal to assist us by managing our business development and we are pleased that he has accepted this new responsibility.”
