360 BLOCKCHAIN INC. ANNOUNCES JOINT VENTURE WITH NOS BLOCKCHAIN INC., A SUBSIDIARY OF NERDS ON SITE

Nerds on Site Inc, a company with approximately 12,000 clients across Canada, has advanced blockchain technologies in development

VANCOUVER, BC, CANADA (NOVEMBER 8, 2017) – 360 Blockchain Inc. ("360" or the "Company") (CSE: CODE - FWB: C5B) continues to execute on its business plan to deploy its capital and expertise to invest in blockchain technologies by striking a joint venture with NOS Blockchain Inc. ("NOS"), which provides 360 with first right of refusal on all NOS blockchain technologies.

NOS is a subsidiary of Nerds On Site Inc., a company founded in 1995, specializing in providing cost effective, leading edge solutions to small and medium sized enterprise (SME), serving as the complete SME IT solution specialists. Nerds on Site was established in 1995 in London, Ontario. The company services over 12,000 clients per year with a superb 96.5% customer satisfaction rating.

- 360 and NOS Blockchain Inc., subsidiary of Nerds On Site, agree in principal to a joint venture.
- 360 initially invests \$100,000 to be used to accelerate development of NOS blockchain technologies, and will coordinate and further finance full cycle of application development and launch.
- 360 receives first right of refusal on all NOS technologies.

"360 Blockchain Inc. has invested \$100,000 in NOS to accelerate the development and implementation of NOS's existing, advanced blockchain technologies," said Mr. George Tsafalas, President and CEO of 360 Blockchain Inc. "The leadership team at NOS Blockchain Inc. has an extensive track record of success, building a technology company from the grassroots into a market leader in the IT solutions space. Their advanced stage blockchain technologies are the basis of our decision to structure a joint venture and invest \$100,000 at this time," added Mr. Tsafalas.

Also noted previously, Nerds On Site is in the process of its initial public offering to fund overall expansion of its lucrative highly scalable business model.

About 360 Blockchain Inc.

Our Mission:

To empower blockchain technologies with capital and experience to create exponential value.

Company Description:

360 Blockchain Inc. has an all-round view to accelerate the development and application of revolutionary blockchain technologies by investing capital and expertise. We are founded on the belief that blockchain technology, essentially a distributed ledger which is transparent and incorruptible, has the potential to transform the way business is conducted, delivering security, cost savings and efficiency gains not seen before in our internet connected world. 360 Blockchain will be focused upon identifying and empowering blockchain technologies applying to crypto-currencies, smart contracts, eSports, data management, the internet of things, equity trading, privacy applications and beyond.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
