360 BLOCKCHAIN ANNOUNCES CHANGES TO ITS BOARD OF DIRECTORS

VANCOUVER, BC, CANADA (April 26, 2018) – 360 Blockchain Inc. (“360” or the “Company”) (CSE: CODE – OTC: BKLLF - FWB: C5B) announces that Mr. John Gan has resigned from its Board, and that Mr. Morie Shacker has joined the Board as a Director.

Mr. George Tsafalas, President and CEO of 360 Blockchain, commented, "On behalf of the Board, we thank John for his vision in starting the company and growing it from a start-up organization into a well-funded, publicly-traded Blockchain capital firm with an exciting future. We are grateful for John's leadership to the company and wish him well in his future endeavours. In addition, we are pleased to welcome experienced entrepreneur Mr. Morie Shacker as a Director on the 360 Board."

About 360 Blockchain Inc.

Our Mission: To empower blockchain technologies with capital and experience to create exponential value.

Company Description: 360 Blockchain Inc. has an all-round view to accelerate the development and application of revolutionary blockchain technologies by investing capital and expertise. We are founded on the belief that blockchain technology (a distributed ledger that is transparent and incorruptible) has the potential to transform the way business is conducted, delivering security, cost savings and efficiency gains not seen before in our internet-connected world. 360 Blockchain is focused on these technologies as they apply to cryptographic tokens and transactional cryptocurrencies; enterprise-grade smart contracts; global data management; media distribution and ownership; supply chain auditing and beyond.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.

Neither the Canadian Securities Exchange nor its Regulation Service Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
