FOR IMMEDIATE RELEASE

BioCure Unaware of Any Material Change

Vancouver, British Columbia – January 31, 2018– Biocure Technology Inc. (formerly Gravis Energy Corp.) (CSE: CURE) (the “**Company**” or “**Biocure**”) At the request of IIROC, Biocure wishes to confirm that the Company’s management is unaware of any material change in the Company’s operations that would account for the recent increase in market activity.

About Biocure

Biocure is a South Korean based Bio Pharmaceutical company specializing in the development and potential commercialization of biosimilar pharmaceutical products. Biocure is in the process of clinical trials of five major biosimilar products in South Korea, including Interferon Beta 1b, Filgrastim and Ranibizumab. Interferon Beta 1b is used for treating relapsing forms of multiple sclerosis (“MS”) Filgrastim is used to treat neutropenia, a lack of certain white blood cells caused by bone marrow transplants, chemotherapy, and other conditions. Ranibizumab is used for treating macular degeneration. It is also used to treat a type of eye problem known as macular edema, as well as certain eye problems caused by diabetes. Biocure is also developing a foot and mouth disease vaccine, a hair growth production product and a breast cancer detection kit.

ON BEHALF OF THE BOARD OF DIRECTORS

Certain statements in this news release, which are not historical in nature, constitute “forward looking statements” within the meaning of that phrase under applicable Canadian securities law. These statements include, but are not limited to, statements or information concerning the Company’s proposed activities under the Agreement, the Company’s ability to achieve sales, commercial or otherwise, from its products, and the expectations of the Company regarding funding payments due pursuant to the Agreement. These statements reflect management’s current

assumptions and expectations and by their nature are subject to certain underlying assumptions, known and unknown risks and uncertainties and other factors which may cause actual results, performance or events to be materially different from those expressed or implied by such forward looking statements. Except as required pursuant to applicable securities laws, the Company will not update these forward-looking statements to reflect events or circumstances after the date hereof. More detailed information about potential factors that could affect financial results is included in the documents filed from time to time with the Canadian securities regulatory authorities by the Company. Readers are cautioned not to place undue reliance on forward looking statements.

Neither the Canadian Securities Exchange (the "CSE") nor the Investment Industry Regulatory Organization of Canada) accepts responsibility for the adequacy or accuracy of this release.
