EASY TECHNOLOGIES - HOUSETRIVIA DEVELOPMENT UPDATE

SURREY, BRITISH COLUMBIA, CANADA/ JUNE 6, 2016 [CSE:EZM FF:EY61] [EASY TECHNOLOGIES INC.](#) ("EasyTech" or the "Company") is pleased to provide an update regarding the development of the platform for its flagship project, HouseTrivia.com.

The latest developments relating to the House Trivia platform include:

1. Delivery of the full design phase with design template,
2. CSS trivia templates and trivia databases completed.
3. Trivia template designed to engage with a discerning gaming audience looking for an alternative competition experience, whilst the trivia templates provide unique and secure trivia contests.
4. Intuitive design and sophisticated user security programmed.

Now in the backend phase, Easy Technologies is currently in developing quiz management and contest Creation pages. With full capability to create different contests, Easy Technologies has developed a backend capable of delivering a range of different quizzes. This will facilitate the plan for delivering multiple unique contests a year.

Ready to apply their advanced user interface expertise to deliver optimal user experiences, Easy Technologies is now looking to enter the frontend design phase, which will include lobby and contest detail pages.

The House Trivia platform will deliver contests in which contestants answer general knowledge questions in a bid to win properties, cash prizes and exclusive sports cars.
