

EASY TECHNOLOGIES - CORPORATE UPDATE EASY TECHNOLOGIES GIBT FIRMEN-UPDATE BEKANNT

SURREY, BRITISH COLUMBIA, CANADA/ JULY 4, 2016 [CSE:EZM FF:EY61] [EASY TECHNOLOGIES INC.](#) (“EasyTech” or the “Company”) is pleased to announce the completion of several important milestones in the creation of their latest software initiative, [HouseTrivia.com](#). Completed phases include front-end design, with homepage, lobby page and quiz management templates ready for launch. Upcoming phases include a unique contest creation module which will allow users to create their own head-to-head trivia contests.

With lobby page, quiz management and contest creation for administrators already built, the developers at Easy Tech are moving onto new phases of the project. The front-end design phase has already been initiated, with the creative design process set to commence on July 5th.

Other key developments currently in process include a unique contest creation module, which is 75% complete. This feature adds a new, dynamic element to online gaming and is set to offer a never before seen gaming experience. It allows users to create their own quizzes and challenge friends and other House Trivia Members to test their knowledge in head-to-head trivia contests. Content creation for custom multiplayer contests is also under development.

The company is also pleased to report that the infrastructure for payment processing is now complete, ensuring safe and secure deposits and cash outs for House Trivia members. With the above-mentioned stages finalized, EasyTech confirms that it remains on track to release the House Trivia platform in September 2016.

Helping to redefine the online entertainment industry by rewarding players for their knowledge, House Trivia replaces luck with skill in a new gaming concept that combines trivia and huge prizes. House Trivia offers contestants the chance to win magnificent beachfront homes, brand new supercars and generous cash prizes.

Freut sich, bekannt geben zu dürfen, dass diverse wichtige Meilensteine bezüglich der neuesten Software-Initiative für [HouseTrivia.com](#) erreicht wurden. Bei den erfolgreich beendeten Phasen handelt es sich um die Homepage, die Empfangsseite und Quizbearbeitungsvorlagen, die bereit zur Veröffentlichung sind. Nächste Schritte umfassen ein einzigartiges Modul, das es Nutzern ermöglicht, ihren eigenen Quiz-Wettbewerb zu kreieren.

Da die Entwicklung der Empfangsseite, der Quizbearbeitung und der Wettbewerbsentwicklung für Administratoren bereits abgeschlossen ist, stehen nun neue Phasen für die Entwicklung von Easy Tech an. Die Arbeit am Frontend-Design hat bereits begonnen, wobei der kreative Design-Prozess am 5. Juli starten soll.

Eine weitere wichtige und aktuelle Entwicklung ist das Modul zur Wettbewerbsentwicklung, das bereits zu 75% abgeschlossen ist. Diese Funktion fügt dem Online-Gaming ein neues, dynamisches Element hinzu und bietet Nutzern eine völlig neue Spielerfahrung. Nutzer können ihr eigenes Quiz kreieren und Freunde sowie andere House Trivia-Mitglieder herausfordern, ihr Wissen im Duell zu testen. Multiplayer-Wettbewerbe befinden sich ebenfalls in der Entwicklung.

Die Firma darf außerdem verkünden, dass die Infrastruktur zur Zahlungsbearbeitung vollständig entwickelt ist und so eine sichere Zahlung und Auszahlung für House Trivia-Mitglieder gewährleistet werden kann. Auf Basis der vorherigen Ausführungen ist es EasyTech voraussichtlich möglich, die House Trivia-Plattform, wie geplant, im September 2016 einzuführen.
