NEWS RELEASE

Glorious Creation Limited Announces Creation of New Trading Company

Vancouver, BC, Canada, April 3, 2018 – Glorious Creation Limited (CSE: GCIT) (the “Corporation” or “Glorious”) is pleased to announce that it has completed the acquisition of Glorious (Vietnam) Trading Company Limited (“GVTCL”), a Vietnamese company that holds a Vietnam retail business license. 60% of GVTCL is currently owned by the Corporation’s subsidiary, Glorious (Vietnam) Company Limited. The Corporation intends to acquire 100% of GVTCL by the end of 2018.

Glorious currently conducts trading business in and among China, Vietnam, Japan and Malaysia and is committed to building the first block chain technology based trading platform between China and Vietnam. Obtaining direct ownership of a retail license in Vietnam paves the way for the Corporation’s “Smart Retailing System” and “Smart Contract System” that are to be built as part of the trading platform.

Yuk Kan Kong, the Corporation’s CEO, states: “We are very excited to have completed this first step in being able to operate our retail business directly. We believe that having a controlling interest in GVTCL, and ultimately owning it 100%, will help to facilitate the Corporation’s implementation of its integrative retail system.”

About Glorious

Glorious is a Canadian company, incorporated under the *Canada Business Corporations Act*. Through its subsidiaries in Hong Kong, Vietnam and China, and network of business partners, the Corporation provides commercial services for foreign enterprises seeking ready access to the growing market for consumer and industrial goods in Vietnam. The Corporation helps its clients to develop Southeast Asian market by providing a range of services including access to the Maritime Silk Road online marketplace, shipping logistics, payment processing, warehousing and distribution of goods, marketing, promotion and sales support. Glorious provides a low cost, fast, effective and reliable bridge for small and medium sized enterprises (“SMEs”) to enter Vietnam and other ASEAN (Association of South East Asian Nations) economies. The Corporation is an international trade consultant and IT systems developer, and it has two core business lines:

- International trade agency and consulting – providing marketing and sales support, logistics and administrative services, and access to various government licenses essential for doing business in Vietnam. Glorious has substantial experience in the “green” building products sector and smart building technology and systems.
- Virtual Cross Border Business Platform (“VCBBP”) - an E-commerce platform that provides all the IT services and logistics management for the execution of commerce across national borders and multiple currencies. The VCBBP also provides a B2B online marketplace for linking SMEs in southern China and southern Vietnam.

Forward Looking Statements: Certain statements in this news release constitute "forward-looking" statements. These statements relate to future events or the Corporation's future performance and include results relating to acquiring a 100% interest in GVTCL, future success of its retail business, implementing an integrative retail system, technology development and cross-border trading. All such statements involve substantial known and unknown risks, uncertainties and other factors which may cause the actual results to vary from those expressed or implied by such forward-looking statements. Forward-looking statements involve significant risks and uncertainties, they should not be read as guarantees of future performance or results, and they will not necessarily be accurate indications of whether or not such results will be achieved. Actual results could differ materially from those anticipated due to a number of factors and risks. Although the forward-looking statements contained in this news release are based upon what management of the Corporation believes are reasonable assumptions on the date of this news release, the Corporation cannot assure investors that actual results will be consistent with these forward-looking statements. The forward-looking statements contained in this press release are made as of the date hereof and the Corporation disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required under applicable securities regulations.
