GENERAL PROXY INFORMATION

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or
- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with Computershare Investor Services Inc., or at the address of the registered office of the Company at Suite 700 - 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) or internet at www.investorvote.com** not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered Shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) or internet at www.investorvote.com at any time up to and including 10:00 a.m. (Vancouver time) on July 3, 2015.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter our own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed May 29, 2015, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or

complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value of the Company. As of the Record Date, the Company had outstanding 88,242,724 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the directors and executive officers of the Company, no one beneficial owner owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. At least a two-thirds majority of affirmative votes cast at the Meeting are required to pass the special resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

Recommendation of the Board

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

ELECTION OF DIRECTORS

The Board currently consists of five directors. Management proposes to fix the number of directors of the Company at five (5) and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares of the Company which each beneficially owns or over which control or direction is exercised:

(1) The information as to principal occupation, business or employment and Common Shares beneficially owned or controlled is not within the knowledge of the management of the Company and has been furnished by the respective nominees. Each nominee has held the same or a similar principal occupation with the organization indicated or a predecessor thereof for the last five years unless otherwise indicated.

(2) The number of Common Shares beneficially owned by the above nominees for directors, directly or indirectly, is based on information furnished by Computershare Investor Services Inc., the registrar and transfer agent of the Company, insider reports filed on SEDI and by the nominees themselves.

Other than as set out below, to the knowledge of the Company, no proposed director is, or has, within the 10 years before the date of this Information Circular, been a director, chief executive officer or chief financial officer of any company that,

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

To the knowledge of the Company, no proposed director of the Company was, as at the date of the Information Circular, or has been within 10 years before the date of the Information Circular, a director or executive officer of any company (including GeoNovus Media Corp.) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director of the Company has, within the 10 years before the date of the information circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

No proposed director of the Company has been subject to (i) any penalties or sanctions imposed by a court relating to securities legislation or by a security regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (ii) any penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for that proposed director.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Compensation

The Board as a whole has the responsibility of determining the compensation for the Chief Executive Officer (the "CEO") and the Chief Financial Officer (the "CFO") and of determining compensation for directors and senior management.

The Company's compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's NEOs (defined below) may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objective and reason for this system of compensation is to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to mineral exploration, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Executive Compensation

In this section "Named Executive Officer" or "NEO" means the CEO, the CFO and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed fiscal year and whose total compensation exceeds \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an officer of the Company at the end of the most recently completed financial year end.

Michael B. England, the Company's former President and CEO, John Masters, the Company's CFO and Olga Nikitovic, the Company's former CFO were the "Named Executive Officers" of the Company for the purposes of the following disclosure. There are no other executive officers of the Company whose total compensation exceeded \$150,000 during the financial year ended August 31, 2014. The compensation paid to the Named Executive Officers for the three most recently completed financial years of the Company is as set out below:

The Company has a stock option plan for the granting of incentive stock options to the officers, employees and directors. The purpose of granting such options to the Company's directors is to assist the

Company in compensating, attracting, retaining and motivating the directors and to closely align the personal interests of the directors to that of the Company's shareholders.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan that the Company has in place is a stock option plan (the "Plan"). The Plan was established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company's other previously established or proposed share compensation agreements, may not exceed 10% of the total number of issued and outstanding Common Shares at the date of grant. All options expire on a date not later than five years after the issuance of such option.

The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company's most recently completed fiscal year:

APPOINTMENT OF AUDITOR

Management recommends that Shareholders vote to appoint Davidson & Company LLP, Chartered Accountants, of Suite 1200, 609 Granville Street, Vancouver, BC V7Y 1G6, as auditors for the Company and to authorize the directors to fix their remuneration.

Effective October 30, 2014, Davidson & Company LLP were appointed as auditors for the Company by the directors on resignation of McGovern, Hurley, Cunningham, LLP, Chartered Accountants, who served as the Company's auditors since October 2, 2006. See "*External Auditor Service Fees*" under "*Audit Committee And Relationship With Auditor*". See Schedule "B" - "*Change of Auditor Reporting Package*".

MANAGEMENT CONTRACTS

There are no management functions of the Company which are to any substantial degree performed by a person or company other than the directors or executive officers of the Company.

CORPORATE GOVERNANCE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**") requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* ("**NP 58-201**").

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "**CSA**") have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The independent members of the Board of Directors of the Company are Timothy Marlowe, Joseph Wowk, Richard Rainey and Gabriel Napora. The non-independent director is Colin Wiebe, the President of the Company.

The Board facilitates its independent supervision over management by choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are, however, able to meet at any time without any the non-independent directors being present. Further supervision is performed through the Audit Committee who may meet with the Company's auditors without management being in attendance.

Directorships

None of the directors of the Company are directors in other reporting issuers.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's operations and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available to discussions with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Other Board Committees

The Board has no committees other than the Audit Committee.

The Audit Committee provides an open avenue of communication between management, the Company's independent auditors and the Board and to assist the Board in its oversight of:

- (a) the integrity, adequacy and timeliness of the Company's financial reporting and disclosure practices;
- (b) the Company's compliance with legal and regulatory requirements related to financial reporting; and
- (c) the independence and performance of the Company's independent auditors.

The Audit Committee also performs any other activities consistent with the Audit Committee Charter, the Company's Articles and governing laws as the Audit Committee or Board deems necessary or appropriate. See "*Audit Committee and Relationship with Auditor*".

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee.

Compensation

The Board is not compensated for acting as directors, except for being granted incentive stock options pursuant to the policies of the CSE and the Company's stock option plan. The Board acts as a whole to determine and approve the final stock grants and compensation amounts.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

The Company received shareholder approval on April 9, 2014 regarding the Plan. The CSE requires listed companies that have "rolling" stock option plans in place receive shareholder approval of such plans on a yearly basis at the Company's annual general meeting. Accordingly, Shareholders will be asked at the Meeting to ratify and approve the Plan.

The purpose of the Plan is to provide certain directors, officers and key employees of, and certain other persons who provide services to the Company and any subsidiaries with an opportunity to purchase Common Shares of the Company and benefit from any appreciation in the value of the Company's Common Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Common Shares for the benefit of all the Shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The Plan provides for a floating maximum limit of 10% of the outstanding Common Shares, as permitted by the policies of the CSE. As at May 29, 2015, this represents 8,824,272 Common Shares available under the Plan, of which 7,020,000 are issued and 1,804,272 are reserved and available for issuance under the Plan.

Under the Plan, the option price must not be less than the exercise price permitted by the CSE. The current policies of the CSE state that the option price must not be less than the greater of (i) the closing price of the Common Shares listed on the CSE on the day immediately preceding the date of grant, and (ii) the date of grant. Any amendment to the Plan requires the approval of the CSE and may require shareholder approval.

The material terms of the Plan are as follows:

1. The term of any options granted under the Plan will be fixed by the Board at the time such options are granted, provided that options will not be permitted to exceed a term of ten years.
2. The exercise price of any options granted under the Plan will be determined by the Board, in its sole discretion, and shall not be less than the closing market price of the Company's Common Shares the day on which the directors grant such options, less any discount as permitted by the CSE.
3. No vesting requirements will apply to options granted under the Plan other than as required by CSE policies; however, a four-month hold period will apply to all shares if options are granted at an exercise price which is less than the closing market price, each option is subject to a four-month hold period, commencing from the date of grant.
4. All options will be non-assignable and non-transferable.
5. No more than (i) 5% of the issued Common Shares may be granted to any one individual in any 12-month period, unless disinterested shareholder approval is obtained; and (ii) 1% of the issued Common Shares may be granted to any one consultant, or an employee conducting investor relation activities, in any 12-month period.
6. Disinterested shareholder approval must be obtained for (i) any reduction in the exercise price of an outstanding option, if the option holder is an insider; (ii) any grant of options to insiders, within a 12-month period, exceeding 10% of the Company's issued Common Shares; and (iii) any grant of options to any one individual, within a 12-month period, exceeding 5% of the Company's issued Common Shares.
7. Options will be reclassified in the event of any consolidation, subdivision, conversion or exchange of the Company's Common Shares.

The Plan is subject to annual shareholder approval and CSE acceptance to its filing. Shareholders will be asked at the Meeting to consider, and if thought fit, approve an ordinary resolution ratifying and approving the Plan.

The full text of the Plan will be made available at the registered and records offices of the Company, Suite 700 – 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, until 4 p.m. on the business day immediately preceding the date of the Meeting.

Shareholder Approval

Shareholders will be asked at the Meeting to approve with or without variation the following resolution:

“BE IT RESOLVED THAT the Company's Stock Option Plan be and is hereby ratified and approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options and that the board of directors be and are hereby authorized, without further

shareholder approval, to make such changes to the Stock Option Plan as may be required or approved by regulatory authorities.”

Approval of the Alteration of Articles

The Company is seeking shareholder approval to alter the existing Articles of the Company to provide the Company with greater flexibility for future capital alterations and will result in greater flexibility in conducting equity financings through increased efficiencies and greater cost-effectiveness.

The Company wishes to alter Article 10.1 of its Articles, to allow for the approval of a consolidation or subdivision of the shares of the Company by directors’ resolution, rather than the current requirement of shareholder approval.

In order to be effective, the resolution approving the Alteration of Articles must be passed by not less than two-thirds (2/3) of the votes cast by shareholders present in person or by proxy at the Meeting. Shareholders are being asked to approve, by special resolution, that the existing Article 10.1 of the Articles of the Company be deleted and replaced with the following Article 10.1, as follows:

"BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Articles of the Company be altered by deleting Article 10.1 of the Company's existing Articles and replacing it with the following Article 10.1:

10.1 Alteration of Authorized Share Structure

Subject to Article 10.2 and the *Business Corporations Act*, the Company may by special resolution (or a resolution of the directors in the case of paragraph 10.1(c)):

- (a) create one or more classes or series of shares or, if none of the shares of a class or series of shares are allotted or issued, eliminate that class or series of shares;
 - (b) increase, reduce or eliminate the maximum number of shares that the Company is authorized to issue out of any class or series of shares or establish a maximum number of shares that the Company is authorized to issue out of any class or series of shares for which no maximum is established;
 - (c) subdivide or consolidate all or any of its unissued or issued shares;
 - (d) if the Company is authorized to issue shares of a class of shares with par value:
 - (1) decrease the par value of those shares; or
 - (2) if none of the shares of that class of shares are allotted or issued, increase the par value of those shares;
 - (e) change all or any of its unissued or issued shares with par value into shares without par value or any of its unissued shares without par value into shares with par value;
 - (f) alter the identifying name of any of its shares; or
 - (g) otherwise alter its shares or authorized share structure when required or permitted to do so by the *Business Corporations Act*.
2. pursuant to section 259(6) of the British Columbia *Business Corporations Act*, the alterations to the Articles of the Company referred to in paragraph 1 above do not take effect until this special resolution is received for deposit at the Company's records office; and

3. any one or more of the directors or officers of the Company are hereby authorized and directed for, on behalf and in the name of the Company to do all acts and things and sign, execute and deliver all such applications, documents and instruments and make all filings as may be necessary or advisable in connection with the foregoing resolutions."

The board of directors believes that it is in the best interests of the Company to alter the Articles of the Company and unanimously recommends that Shareholders vote in favour of the Alteration of Articles resolution. Unless otherwise directed, the persons named in the enclosed form of proxy, if named as proxy, will vote IN FAVOUR of the Alteration of Articles resolution.

Other Matters

As of the date of this Information Circular, management knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

GEONOVUS MEDIA CORP. AUDIT COMMITTEE CHARTER

I. PURPOSE

The primary function of the Audit Committee, a committee of the board of directors (the "**Board of Directors**") of GeoNovus Media Corp., (the "**Company**") is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the financial accounting and reporting process and internal controls for the Company by:

- (a) reviewing the financial reports and other financial information before such reports and other financial information is provided to any governmental body or to the public;
- (b) recommending the appointment and reviewing and appraising the audit efforts of the Company's external auditors and providing an open avenue of communication among the external auditors, financial and senior management and the Board of Directors;
- (c) serving as an independent and objective party to monitor the Company's financial reporting process and internal controls, the Company's processes to manage business and financial risk, and its compliance with legal, ethical and regulatory requirements; and
- (d) encouraging continuous improvement of, and fostering adherence to, the Company's policies, procedures and practices at all levels.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Part III of this Charter. The Audit Committee's primary function is to assist the Board of Directors in fulfilling its responsibilities. It is, however, the Company's management which is responsible for preparing the Company's financial statements and it is the Company's external auditors which are responsible for auditing those financial statements.

II. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee is to be comprised of such number of directors as determined by the Board of Directors, each of whom must be "independent" and "financially literate", as such terms are defined in National Instrument 52-110 *Audit Committees* ("NI 52-110") where NI 52-110 requires such independence.

The members of the Audit Committee shall be appointed by the Board of Directors and serve until the next annual meeting of shareholders of the Company or until their successors are duly appointed. Unless a Chairman is appointed by the full Board of Directors, the members of the Audit Committee may designate a Chairman by majority vote of the full Audit Committee membership.

As part of its role in fostering open communication, the Audit Committee should meet at least annually with management and the external auditors in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

The Audit Committee may ask members of management or others to attend meetings and provide pertinent information as necessary. For purposes of performing their oversight related duties, members of the Audit Committee are to be provided with full access to all corporate information and are to be permitted to discuss such information and any other matters relating to the financial position of the Company with senior employees, officers and external auditors of the Company.

A quorum for the transaction of business at any meeting of the Audit Committee is the presence in person or by telephone or other communication equipment of a majority of the members of the Audit Committee or such greater number as the Audit Committee may by resolution determine.

Should a vacancy arise among the members of the Audit Committee, the remaining members of the Audit Committee may exercise all of its powers and responsibilities so long as a quorum remains in office.

Meetings of the Audit Committee are to be held from time to time, but not less than four times annually, at such place as the Audit Committee or the Chairman of the Audit Committee may determine upon at least two days' prior notice to each of the members. The notice period may be waived by a quorum of the Audit Committee.

The Chairman of the Audit Committee, any member of the Audit Committee, the Chairman of the Board of Directors, the Company's external auditors, or the Chief Executive Officer, Chief Financial Officer or Secretary of the Company is entitled to request that the Chairman of the Audit Committee call a meeting. A notice of the Audit Committee may be given verbally, in writing or by telephone, fax or other means of communication, and need not specify the purpose of the meeting.

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

- (a) communicate directly with the external auditors;
- (b) meet with the external auditors, with and without management present, to discuss the results of their examinations ;
- (c) annually review and recommend to the Board of Directors the selection of the independent auditors, subject to shareholders' approval, and approve the annual fee for the external audit services;
- (d) establish a procedure which enables employees to report any concerns regarding accounting or auditing matters;
- (e) review with management and with the independent auditors, the financial statements and management discussion and analysis before referring these documents to the Board of Directors;
- (f) ensure the Company's compliance with legal and regulatory requirements relating to financial disclosure;
- (g) review any new appointments to senior positions with financial reporting responsibilities;
- (h) review all financial press releases.

The Committee shall perform any other matters delegated to it by the Board of Directors.

Financial Reporting Processes

- (a) In consultation with the external auditors, review the integrity of the Company's financial reporting processes, both internal and external.
- (b) Consider the external auditors' judgments about the quality and appropriateness, not just the acceptability, of the Company's accounting principles and financial disclosure practices, as applied in its financial reporting, particularly about the degree of aggressiveness or conservatism of its accounting principles and underlying estimates and whether those principles are common practices.
- (c) Consider and approve, if appropriate, major changes to the Company's accounting principles and practices as suggested by management with the concurrence of the

external auditors and ensure that management's reasoning is described in determining the appropriateness of changes in accounting principles and disclosure.

Process Improvement

- (a) Establish regular and separate systems of reporting to the Audit Committee by each of management and the external auditors regarding any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.
- (b) Review the scope and plans of the external auditors' audit and reviews prior to the audit and reviews being conducted. The Audit Committee may authorize the external auditors to perform supplemental reviews or audits as the Audit Committee may deem desirable.
- (c) Following completion of the annual audit and quarterly reviews, review separately with management and the external auditors any significant changes to planned procedures, any difficulties encountered during the course of the audit and reviews, including any restrictions on the scope of work or access to required information and the cooperation that the external auditors received during the course of the audit and reviews.
- (d) Review and resolve any significant disagreements between management and the external auditors in connection with the preparation of the financial statements.
- (e) Where there are significant unsettled issues, the Audit Committee is to assist in arriving at an agreed course of action for the resolution of such matters.
- (f) Review with the external auditors and management significant findings during the year and the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Audit Committee.

Ethical and Legal Compliance

- (a) Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
- (b) Review management's monitoring of the Company's systems in place to ensure that the Company's financial statements, reports and other financial information disseminated to governmental organizations and the public satisfy legal requirements.
- (c) Review, with the Company's counsel, legal and regulatory compliance matters, including corporate securities trading policies, and matters that could have a significant impact on the Company's financial statements.

Risk Management

Review management's program of risk assessment and steps taken to address significant risks or exposures, including insurance coverage, and obtain the external auditors' opinion of management's assessment of significant financial risks facing the Company and how effectively such risks are being managed or controlled.
