

## **Imagination Park Signs on to Develop and Produce a Feature Film for Traveler with Emmy Nominated Director Simon Brown**

**Vancouver, BC – April 13, 2017** – Imagination Park Entertainment Inc. (CSE: IP) (OTC: IPNFF) (FRA: GMS1) (“Imagination Park” or the “Company”) is pleased to announce that it has entered into a development and production agreement with Emmy nominated Director Simon Brown for his sci-fi opus, Traveler.

Currently a short film, Traveler has received awards at multiple festivals and has received major studio interest on the project. Imagination Park will develop the project with Mr. Brown by creating a feature film screenplay, package the project and then shop it to major Hollywood studios and distributors for financing.

Simon Brown is a graduate of the American Film Institute Conservatory Directing Program and an alum of Berlinale Talents (2016). He has worked as a senior vfx artist leading teams on commercials and feature films. His feature film credits include MATRIX REVOLUTIONS, STAR WARS: REVENGE OF THE SITH and ICE AGE: THE MELTDOWN.

His latest short film Traveler is currently making its festival rounds and is a Best Short Finalist at the Kinsale Shark Awards and his short film Firelight was a finalist for the Student Emmy's, winner for best sci-fi short film at Shockerfest, best horror nomination at Shriekfest and an official selection at LA Shorts Festival. In addition, his spec spot "Lexus LFA-h" has been featured in STASH and selected for the A-List Awards.

Yas Taalat, Director of Imagination Park, stated: "This is one of my favorite projects out there. I'm very excited to be a part of this and I believe Hollywood Studios will look at this project and see it as potentially the next big sci-fi franchise film. Simon is an exceptional talent and we are very excited to be in business with him."

Simon Brown comments: "I'm thrilled to be working with Gabriel and Yas from Imagination Park. I have a huge amount of respect for their hard work and tireless enthusiasm and I'm very excited to be working on Traveler with them."
