## INFORMATION CIRCULAR

(containing information as of October 5, 2017, unless otherwise stated)

### INTRODUCTION

**This Information Circular is furnished to you in connection with the solicitation of proxies by management of Imagination Park Entertainment Inc. (“we”, “us” or the “Company”) for use at the Annual General and Special Meeting (the “Meeting”) of shareholders of the Company to be held on Thursday, November 9, 2017 and at any adjournment of the Meeting.** The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

### APPOINTMENT OF PROXY HOLDER

The persons named as **proxy holders** in the enclosed form of proxy are the Company’s directors or officers. **As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

### VOTING BY PROXY

**The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.**

**The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.**

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an “X” in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

### RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company’s registrar and transfer agent, Computershare Investor Services Inc., 3rd floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment.

### **ADVICE TO NON-REGISTERED SHAREHOLDERS**

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are “non-registered” shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a “Nominee”). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “NOBOs”. Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “OBOs”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF’s, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares which they beneficially own. Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request a legal proxy as set forth in the VIF, which will grant the non-registered holder or his/her nominee the right to attend and vote at the Meeting. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

### **REVOCATION OF PROXY**

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- a) signing a proxy bearing a later date; or
- b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company’s registrar and transfer agent or to the Company’s head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

## **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of director, and the ratification and approval of the Company's 2017 stock option plan, approval of which will be sought at the Meeting. See "Particulars of Matters to be Acted Upon".

## **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

Persons who are registered shareholders of common shares at the close of business on October 5, 2017, are entitled to receive notice of and to attend and vote at the Meeting or any adjournment of the Meeting (see "Voting of Shares and Proxies and Exercise of Discretion by Proxyholders" above).

The authorized capital of the Company consists of an unlimited number of common shares without par value. As of October 5, 2017, the Company had 62,449,503 common shares issued and outstanding.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, common shares carrying more than 10% of the voting rights attached to the outstanding common shares of the Company.

### **Approval of Resolutions**

On a show of hands, every shareholder and proxy holder will have one vote and, on a poll, every shareholder present in person or represented by proxy will have one vote for each common share. To approve a motion for an ordinary resolution, a majority of the votes cast by shareholders in person or by proxy who vote in respect of that resolution will be required. To approve a motion for a special resolution, a majority of not less than two-thirds of the votes cast in person or by proxy by those shareholders who vote in respect of that resolution will be required.

## **EXECUTIVE COMPENSATION**

Under this heading, the Company is including the disclosure required by Form 51-102F6 *Statement of Executive Compensation*.

### **Compensation Discussion and Analysis**

#### **Compensation**

The board of directors (the "**Board**") of the Company as a whole has the responsibility of determining the compensation for the Chief Executive Officer (the "**CEO**"), the Chief Financial Officer (the "**CFO**") and for other senior management and the directors.

The Company's compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create a sense of ownership in the Company among directors, officers, consultants and employees and to align their interests with those of the shareholders; and
- to ensure that the Company compensation program is competitive as well as financially affordable.

The Company's compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's Named Executive Officers (defined below) may receive compensation that is comprised of three components:

- salary, wages or contractor payments;
- stock option grants; and/or
- bonuses.

The objective and reason for this system of compensation is to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of a Named Executive Officer is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each Named Executive Officer takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the Named Executive Officers. Base salary is not evaluated against a formal “peer group”. The Company’s Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the Named Executive Officers for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the Named Executive Officers are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Board members are encouraged to attend educational courses or presentations in relation to the Company's projects or the industry within which the Company operates.

### **Ethical Business Conduct**

The Board of Directors has not, to date, adopted a formal written Code of Ethical Business Conduct. The current limited size of the Company's operations, and the small number of officers and employees allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. The Board is aware of the recommendation in National Policy 58-201 *Corporate Governance Guidelines* to adopt a written code of business conduct and ethics and is reviewing different standards that may be appropriate for the Company to adopt.

To date, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. A director must disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The disclosure must be evidenced in writing by being included in the consent resolutions or minutes of the meeting that approved the transaction or in a written disclosure delivered to the Company's records office. Unless the director properly discloses his interest and has the transaction properly approved, he may be liable to account to the Company for any profit he makes as a result of the transaction, unless the court finds that the transaction was fair and reasonable to the Company. Once the appropriate disclosure has been made by the interested director, the transaction must be approved by the directors or by the shareholders by special resolution. An interested director would not be entitled to vote at meetings of directors which evoke any such conflict.

### **Nomination of Directors**

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees to fill vacancies and for the next annual meeting the shareholders. The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives and a willingness to serve.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, this policy may be reviewed in the future depending on the circumstances of the Company.

### **Compensation**

The Board periodically reviews the compensation paid to directors, management and other employees based on such factors as time commitment and level of responsibility, comparative fees paid by other companies in the industry in North America and the Company's current position as an exploration company with limited operating revenue.

The Board does not have a compensation committee, and these functions are currently performed by the Board as a whole. However, this policy may be reviewed in the future depending on the circumstances of the Company.

### **Other Board Committees**

The Board of Directors has no other committees other than the Audit Committee.

### **Assessments**

The Board of Directors conducts periodic assessments of its members including individual assessments to determine if the board, its committee and the individual directors are performing efficiently. Based on the Company's size, stage of development and the limited number of individuals on the Board of Directors, the Board considers a formal assessment process to be inappropriate at this time. As the activities of the Company develop, it will consider the establishment of more formal evaluation procedures, including more quantitative measures of performance.

## **INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS**

During the last completed financial year, no director, executive officer, or nominee for director of the Company or any of their associates has been indebted to the Company or any of its subsidiaries, nor has any of these individuals been indebted to another entity which indebtedness is the subject of a guarantee, support in agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries.

## **INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS**

No informed person of the Company, no proposed nominee for election as a director of the Company, and no associate or affiliate of any of these persons, has any material interest, direct or indirect, in any transaction since the commencement of our last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of our subsidiaries.

An "informed person" means:

- (a) a director or executive officer of the Company;
- (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company;
- (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10 percent of the voting rights attached to all outstanding voting securities of the Company other than voting securities held by the person or company as underwriter in the course of a distribution; and
- (d) the Company if it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

## **MANAGEMENT CONTRACTS**

Management functions of the Company are generally performed by directors and executive officers of the Company and not, to any substantial degree, by any other person to whom the Company has contracted.

## PARTICULARS OF MATTERS TO BE ACTED UPON

### Election of Directors

The Company's Board of Directors proposes to nominate the persons named in the table below for election as directors of the Company. Each director elected will hold office until the next annual general meeting of the Company or until his successor is duly elected or appointed, unless the office is earlier vacated in accordance with the Articles of the Company or the *Business Corporations Act* (British Columbia) (the "BCBCA") or he becomes disqualified to act as a director.

Management of the Company proposes that the number of directors for the Company be determined at four (4) for the ensuing year, subject to such increases as may be permitted by the Articles of the Company.

### Incentive Stock Option Plan

The Option Plan is a "rolling" stock option plan, which makes a maximum of 10% of the issued and outstanding Common Shares available for issuance thereunder.

The purpose of the Option Plan is to provide directors, officers and key employees of, and certain other persons who provide services to, the Company with an opportunity to purchase Common Shares of the Company at a specific price, and subsequently benefit from any appreciation in the value of the Common Shares. This provides an

incentive for such persons to contribute to the future success of the Company and enhances the ability of the Company to attract and retain skilled and motivated individuals, thereby increasing the value of the Common Shares for the benefit of all Shareholders.

The exercise price of stock options granted under the Option Plan will be determined by the Board and will be priced in accordance with the policies of the Exchange, and will not be less than the closing price of the Common Shares on the Exchange on the date prior to the date of grant less any allowable discounts. All options granted under the Option Plan will have a maximum term as permitted by the Exchange and will be the dates fixed by the Board at the time the options are granted.

The Option Plan provides that it is solely within the discretion of the Board of Directors to determine who should receive options and how many they should receive. The Board may issue a majority of the options to insiders of the Company. However, the Option Plan provides that in no case will the Option Plan or any existing share compensation arrangement of the Company result, at any time, in the issuance to any option holder, within a one year period, of a number of Common Shares exceeding 5% of the Company's issued and outstanding Common Share capital.

The full text of the Option Plan is available for review by any Shareholder up until the day preceding the Meeting at the Company's head office, located at 700-838 W Hastings Street, Vancouver, British Columbia and will also be available at the Meeting.

Upon the approval of the Option Plan by Shareholders, Shareholder approval will not be required or sought on a case-by-case basis for the purpose of the granting of options and the exercise of options under the Option Plan.

At the Meeting, Shareholders will be asked to approve an ordinary resolution approving the Option Plan. The text of the resolution to be considered and, if thought fit, approved at the Meeting is as follows:

“BE IT RESOLVED THAT:

1. Subject to the approval of the Canadian Securities Exchange, the Company's incentive stock option plan, which makes a total of 10% of the issued and outstanding shares of the Company available for issuance thereunder as described in the Company's Information Circular dated October 5, 2017, be and is hereby ratified, confirmed and approved.
2. The Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the Option Plan.
3. Any one director or officer of the Company be and is hereby authorized and directed to perform all such acts, deeds and things and execute all such documents and other instruments as may be required to give effect to the true intent of this resolution.”

In order to be effective, the foregoing ordinary resolutions must be approved by a simple majority of the votes cast by those shareholders of the Company who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

**It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the 2013 Plan.**

The Directors of the Company believe the passing of the foregoing ordinary resolution is in the best interests of the Company and recommend that shareholders of the Company vote in favour of the resolution.

**Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the approval of the 2013 Plan.**

## **Confirmation and Approval of Advance Notice Provisions**

### *Background*

On March 29, 2017, the Board adopted advance notice provisions (the “**Advance Notice Provisions**”) with immediate effect, as disclosed by press release dated March 31, 2017. A copy of the Advance Notice Provisions are attached to this Information Circular as Schedule “B”. In order for the Advance Notice Provisions to remain in effect following termination of the Meeting, the Advance Notice Provisions must be ratified, confirmed and approved by the Company’s shareholders at the Meeting.

### *Purpose of the Advance Notice Provisions*

The Company’s Board is committed to: (a) facilitating an orderly and efficient annual or, where the need arises, special meeting, process; (b) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (c) allowing shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of the Advance Notice Provisions is to provide the Company’s shareholders, Board and management with a clear framework for nominating directors. The Advance Notice Provisions fix a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company in order for any director nominee to be eligible for election at any annual or special meeting of the Company’s shareholders.

### *Terms of the Advance Notice Provisions*

The following information is intended as a brief description of the Advance Notice Provisions and is qualified in its entirety by the full text of the Advance Notice Provisions, a copy of which is attached to this Information Circular as Schedule “B”.

### ***The terms of the Advance Notice Provisions are summarized below:***

The Advance Notice Provisions provide that advance notice to the Company must be given in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to: (i) a “proposal” made in accordance with Division 7 of Part 5 of the BCBCA; or (ii) a requisition of the shareholders made in accordance with section 167 of the BCBCA.

Among other things, the Advance Notice Provisions fix a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice to the secretary of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Provisions.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 days or more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting (which is not also an annual meeting) of shareholders, notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The Board may, in its sole discretion, waive any requirement of the Advance Notice Provisions.

*Confirmation and Approval of Advance Notice Provisions by Shareholders*

At the Meeting, the shareholders of the Company will be asked to approve a motion to include in the Articles of the Company the Advance Notice Provisions such that the Company receive adequate notice of nominations of people to be elected to serve as directors of the Company.

If the Advance Notice Provisions are approved at the Meeting, the Advance Notice Provisions will continue to be effective and in full force and effect in accordance with its terms and conditions beyond the termination of the Meeting. Thereafter, the Advance Notice Provisions will be subject to periodic review by the Board, and will be updated to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

If the Advance Notice Provisions are not approved at the Meeting, the Advance Notice Provisions will terminate and be of no further force or effect from and after the termination of the Meeting.

At the Meeting, the shareholders will be asked to approve the following by ordinary resolution (the “**Advance Notice Provisions Resolution**”):

3. the board of directors (the “**Board**”) of the Company be authorized in its absolute discretion to administer the Advance Notice Provisions and amend or modify the Advance Notice Provisions in accordance with its terms and conditions to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, so as to meet industry standards;
4. the Board reserves the right to abandon the Advance Notice Provisions should they deem it appropriate and in the best interests of the Company to do so;
5. the Company be authorized to revoke this resolution and abandon or terminate the alteration of the Articles of the Company if the Board deems it appropriate and in the best interests of the Company to do so without further confirmation, ratification or approval of its shareholders; and
6. any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required which, in the opinion of such director or officer, may be necessary or appropriate in order to give effect to these resolutions.”

In order to be effective, the foregoing ordinary resolution must be approved by a simple majority of the votes cast by those shareholders of the Company who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

**It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such Proxies FOR the Advance Notice Provisions Resolution.**

**SCHEDULE “A”  
AUDIT COMMITTEE CHARTER**

**I. PURPOSE**

The primary function of the Audit Committee, a committee of the board of directors (the “**Board of Directors**”) of Imagination Park Entertainment Inc., (the “**Company**”) is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the financial accounting and reporting process and internal controls for the Company by:

- (a) reviewing the financial reports and other financial information before such reports and other financial information is provided to any governmental body or to the public;
- (b) recommending the appointment and reviewing and appraising the audit efforts of the Company’s external auditors and providing an open avenue of communication among the external auditors, financial and senior management and the Board of Directors;
- (c) serving as an independent and objective party to monitor the Company’s financial reporting process and internal controls, the Company’s processes to manage business and financial risk, and its compliance with legal, ethical and regulatory requirements; and
- (d) encouraging continuous improvement of, and fostering adherence to, the Company’s policies, procedures and practices at all levels.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Part III of this Charter. The Audit Committee’s primary function is to assist the Board of Directors in fulfilling its responsibilities. It is, however, the Company’s management which is responsible for preparing the Company’s financial statements and it is the Company’s external auditors which are responsible for auditing those financial statements.

**II. COMPOSITION OF THE AUDIT COMMITTEE**

The Audit Committee is to be comprised of such number of directors as determined by the Board of Directors, each of whom must be “independent” and “financially literate”, as such terms are defined in National Instrument 52-110 *Audit Committees* (“NI 52-110”) where NI 52-110 requires such independence.

The members of the Audit Committee shall be appointed by the Board of Directors and serve until the next annual meeting of shareholders of the Company or until their successors are duly appointed. Unless a Chairman is appointed by the full Board of Directors, the members of the Audit Committee may designate a Chairman by majority vote of the full Audit Committee membership.

As part of its role in fostering open communication, the Audit Committee should meet at least annually with management and the external auditors in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

The Audit Committee may ask members of management or others to attend meetings and provide pertinent information as necessary. For purposes of performing their oversight related duties, members of the Audit Committee are to be provided with full access to all corporate information and are to be permitted to discuss such information and any other matters relating to the financial position of the Company with senior employees, officers and external auditors of the Company.

A quorum for the transaction of business at any meeting of the Audit Committee is the presence in person or by telephone or other communication equipment of a majority of the members of the Audit Committee or such greater number as the Audit Committee may by resolution determine.

Should a vacancy arise among the members of the Audit Committee, the remaining members of the Audit Committee may exercise all of its powers and responsibilities so long as a quorum remains in office.

Meetings of the Audit Committee are to be held from time to time, but not less than four times annually, at such place as the Audit Committee or the Chairman of the Audit Committee may determine upon at least two days' prior notice to each of the members. The notice period may be waived by a quorum of the Audit Committee.

The Chairman of the Audit Committee, any member of the Audit Committee, the Chairman of the Board of Directors, the Company's external auditors, or the Chief Executive Officer, Chief Financial Officer or Secretary of the Company is entitled to request that the Chairman of the Audit Committee call a meeting. A notice of the Audit Committee may be given verbally, in writing or by telephone, fax or other means of communication, and need not specify the purpose of the meeting.

### **III. RESPONSIBILITIES AND DUTIES**

To fulfill its responsibilities and duties, the Audit Committee shall:

- (a) communicate directly with the external auditors;
- (b) meet with the external auditors, with and without management present, to discuss the results of their examinations ;
- (c) annually review and recommend to the Board of Directors the selection of the independent auditors, subject to shareholders' approval, and approve the annual fee for the external audit services;
- (d) establish a procedure which enables employees to report any concerns regarding accounting or auditing matters;
- (e) review with management and with the independent auditors, the financial statements and management discussion and analysis before referring these documents to the Board of Directors;
- (f) ensure the Company's compliance with legal and regulatory requirements relating to financial disclosure;
- (g) review any new appointments to senior positions with financial reporting responsibilities;
- (h) review all financial press releases.

The Committee shall perform any other matters delegated to it by the Board of Directors.

#### **Financial Reporting Processes**

- (a) In consultation with the external auditors, review the integrity of the Company's financial reporting processes, both internal and external.
- (b) Consider the external auditors' judgments about the quality and appropriateness, not just the acceptability, of the Company's accounting principles and financial disclosure practices, as applied in its financial reporting, particularly about the degree of aggressiveness or conservatism of its accounting principles and underlying estimates and whether those principles are common practices.
- (c) Consider and approve, if appropriate, major changes to the Company's accounting principles and practices as suggested by management with the concurrence of the external auditors and ensure that management's reasoning is described in determining the appropriateness of changes in accounting principles and disclosure.

### **Process Improvement**

- (a) Establish regular and separate systems of reporting to the Audit Committee by each of management and the external auditors regarding any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.
- (b) Review the scope and plans of the external auditors' audit and reviews prior to the audit and reviews being conducted. The Audit Committee may authorize the external auditors to perform supplemental reviews or audits as the Audit Committee may deem desirable.
- (c) Following completion of the annual audit and quarterly reviews, review separately with management and the external auditors any significant changes to planned procedures, any difficulties encountered during the course of the audit and reviews, including any restrictions on the scope of work or access to required information and the cooperation that the external auditors received during the course of the audit and reviews.
- (d) Review and resolve any significant disagreements between management and the external auditors in connection with the preparation of the financial statements.
- (e) Where there are significant unsettled issues, the Audit Committee is to assist in arriving at an agreed course of action for the resolution of such matters.
- (f) Review with the external auditors and management significant findings during the year and the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Audit Committee.

### **Ethical and Legal Compliance**

- (a) Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
- (b) Review management's monitoring of the Company's systems in place to ensure that the Company's financial statements, reports and other financial information disseminated to governmental organizations and the public satisfy legal requirements.
- (c) Review, with the Company's counsel, legal and regulatory compliance matters, including corporate securities trading policies, and matters that could have a significant impact on the Company's financial statements.

### **Risk Management**

Review management's program of risk assessment and steps taken to address significant risks or exposures, including insurance coverage, and obtain the external auditors' opinion of management's assessment of significant financial risks facing the Company and how effectively such risks are being managed or controlled.

  - (a) In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, such person must have given timely notice thereof in proper written form to the secretary at the principal executive offices of the Company in accordance with this Policy.
  - (b) To be timely, a Nominating Shareholder’s notice must be received by the secretary of the Company (i) in the case of an annual meeting, not less than 30 days or more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made (the “**Meeting Notice Date**”), the Nominating Shareholder’s notice must be so received not later than the close of business on the 10th day following the Meeting Notice Date; and (ii) in the case of a special meeting of shareholders (which is not also an annual meeting) called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which public announcement of the date of the special meeting is first made. In no event shall the public announcement of an adjournment of an annual meeting or special meeting commence a new time period for the giving of a Nominating Shareholder’s notice as described in this Policy.
  - (c) To be in proper written form, a Nominating Shareholder’s notice must set forth: (i) as to each person whom the Nominating Shareholder proposes to nominate for election as a director (A) the name, age, business address and residence address of the person, (B) the principal occupation or employment of the person, (C) the class or series and number of shares of the Company that are owned beneficially or of record by the person and (D) any other information relating to the person that would be required to be disclosed in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the *Business Corporations Act* (British Columbia) and Applicable Securities Laws; and (ii) as to the Nominating Shareholder giving the notice, any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote any shares of the Company and any other information relating to such Nominating Shareholder that would be required to be made in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the *Business Corporations Act* (British Columbia) and Applicable Securities Laws. The Nominating Shareholder's notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

- (d) No person shall be eligible for election as a director of the Company unless nominated in accordance with the procedures set forth in this Policy; provided, however, that nothing in this Policy shall be deemed to preclude a shareholder from discussing (as distinct from nominating directors) at a meeting of shareholders any matter in respect of which the shareholder would have been entitled to submit a proposal pursuant to the provisions of the *Business Corporations Act* (British Columbia). The chair of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.
- (e) For purposes of this Policy, (i) "**public announcement**" shall mean disclosure in a press release disseminated by a nationally recognized news service in Canada, or in a document publicly filed by the Company under its profile on the System of Electronic Document Analysis and Retrieval at [www.sedar.com](http://www.sedar.com); and (ii) "**Applicable Securities Laws**" means the applicable securities legislation in each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada.
- (f) Notice given to the secretary of the Company pursuant to this Policy may only be given by personal delivery, facsimile transmission or by email (at such email address as stipulated from time to time by the secretary of the Company for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery, email (at the address aforesaid) or sent by facsimile transmission (provided the receipt of confirmation of such transmission has been received) to the secretary at the address of the principal executive offices of the Company; provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been on the subsequent day that is a business day.
- (g) Notwithstanding the foregoing, the board may, in its sole discretion, waive any requirement in this Policy.
