The cost of preparing, assembling and mailing this Circular, the Notice of Meeting, the proxy form, the voting instruction form and any other material relating to the Meeting and the cost of soliciting proxies has been or will be borne by Khan. It is anticipated that copies of this Circular, the Notice of Meeting, and accompanying proxy form or voting instruction form will be distributed to shareholders on or about July 18, 2018.

This Circular provides the information that you need to vote at the Meeting.

If you are a registered holder of common shares of Khan (the “**Common Shares**”), we have enclosed a proxy form that you can use to vote at the Meeting.

- If your Common Shares are held by a nominee, you may receive either a form of proxy or voting instruction form from such nominee and should carefully follow the instructions provided by the nominee in order to have your Common Shares voted at the Meeting.

VOTING INFORMATION

Voting Matters

At the Meeting, shareholders are voting on the election of directors, on the appointment of auditors and authorization of the board of directors (the “**Board of Directors**” or “**Board**”) to fix their remuneration, and the adoption of a resolution set out in Appendix A of this Circular to ratify and approve the Name Change Resolution (as defined below).

Who Can Vote

The record date for the Meeting is July 9, 2018. Holders of record of Common Shares as of the close of business on July 9, 2018 are entitled to vote at the Meeting. Each Common Share is entitled to one vote on those items of business identified in the Notice of Meeting. With respect to amendments or variations to matters identified in the Notice of Meeting or other matters that may properly come before the Meeting, Common Shares represented by proxy will be voted by the persons so designated in their discretion, whether or not such other amendment, variation or other matter that comes before the Meeting is routine or contested.

Voting your Common Shares

Registered Shareholders

If you are a Registered Shareholder, you may attend and vote in person at the Meeting or give another person authority to represent you and vote your shares at the Meeting, as described below under “*Voting by Proxy*”.

Non-Registered Shareholders (Beneficial Shareholders)

Your Common Shares may not be registered in your name but in the name of a nominee, which is usually a trust company, securities broker or other financial institution. If your Common Shares are registered in the name of a nominee, you are a non-registered shareholder. Your nominee is required to seek your instructions as to how to vote your shares. You may vote your Common Shares through your nominee or in person.

To vote your Common Shares through your nominee, you should carefully follow the instructions of your nominee with respect to the procedures to be followed for voting. Generally, nominees will provide non-registered (beneficial) Shareholders with either: (a) a voting instruction form for completion and execution by you, or (b) a proxy form, executed by the nominee and restricted to the number of shares owned by you, but otherwise uncompleted. These procedures are to permit Beneficial Shareholders to direct the voting of the Common Shares that they beneficially own.

If you are a Non-Registered (Beneficial) Shareholder, to vote your shares in person at the Meeting, you should take the following steps:

- (a) appoint yourself as the proxy holder by writing your own name in the space provided on the voting instruction form or form of proxy; and
- (b) follow the nominee’s instructions for return of the executed form or other method of response.

Do not otherwise complete the form as your vote, or the vote of your designate, will be taken at the Meeting.

Voting by Proxy

If you will not be at the Meeting or do not wish to vote in person, you may still vote by using the enclosed proxy form. A proxy must be in writing and must be executed by you or by your attorney authorized in writing.

Your Proxy Vote

On the proxy form, you can indicate how you want to vote your Common Shares, or you can let your proxy holder decide for you.

All Common Shares represented by properly completed proxies received at the Toronto office of TSX Trust Company (200 University Ave West, Suite 300 M5H 4H1) (“**TSX Trust**”) by 4:00 p.m. (Toronto time) on August 10, 2018 or two business days before any adjourned or postponed Meeting will be voted or withheld from voting, in accordance with your instructions as specified in the proxy, on any ballot votes that take place at the Meeting. If you give directions on how to vote your shares, your proxy holder must vote your shares according to your instructions. If you have not specified how to vote on a particular matter, then your proxy holder can vote your shares as he or she sees fit. **If neither you nor your proxy holder gives specific instructions, your Common Shares will be voted as follows:**

- **FOR** the election of the nominees as directors for the ensuing year;
- **FOR** the appointment of RSM Canada LLP as auditors for the ensuing year and the authorization of the directors to fix their remuneration; and
- **FOR** the name Name Change Resolution to approve the name change as set out below.

Appointing a Proxy holder

A proxy holder is the person you appoint to act on your behalf at the Meeting and to vote your shares. **You may choose anyone to be your proxy holder, including someone who is not a shareholder of Khan.** Simply fill in the name in the blank space provided on the enclosed proxy form. If you leave the space in the proxy form blank, the persons designated in the form, who are officers of Khan, are appointed to act as your proxy holder.

Your proxy authorizes the proxy holder to vote and act for you at the Meeting, including any continuation after an adjournment or postponement of the Meeting.

Revoking Your Proxy

Only Registered Shareholders have the power to revoke proxies given by them. If you give a proxy, you may revoke it at any time before it is used by doing any one of the following:

- You may send another proxy form with a later date to the Toronto office of TSX Trust (200 University Ave West, Suite 300 M5H 4H1), but it must reach TSX Trust by 4:00 p.m. (Toronto time) August 10, 2018 or two business days before any adjourned or postponed Meeting.
- You may revoke a proxy as set out below:
 - by depositing an instrument in writing that is signed by the shareholder or by an attorney who is authorized by a document that is signed in writing or by electronic signature; or
 - by transmitting, by telephonic or electronic means, a revocation that is signed by an electronic signature if the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of the shareholder or the attorney, as the case may be.

The instrument or revocation must be received at the registered office of Khan, located at The Exchange Tower, 130 King Street West, Suite 1800, Toronto, Ontario M5X 1E3 or by facsimile at (416) 947-0167, by 4:00 p.m. (Toronto time) on August 10, 2018 or two business days before any adjourned or postponed Meeting.

Non-Registered (Beneficial) Shareholders who wish to change their vote, must in sufficient time in advance of the Meeting, arrange for their respective intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out above.

ADDITIONAL MATTERS PRESENTED AT THE ANNUAL MEETING

The enclosed proxy form or voting instruction form confers discretionary authority upon the persons named as proxies therein with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

If you sign and return the proxy form for Common Shares and any matter is presented at the Meeting in addition to the matters described in the Notice of Meeting, the Khan officers named as proxies will vote in their best judgment. When this Circular went to press, management of Khan was not aware of any matters to be considered at the Meeting other than the matters described in the Notice of Meeting or any amendments or variations to the matters described in such notice.

VOTING SHARES

The Common Shares are the only shares entitled to vote at the Meeting. As of the date hereof, 90,166,482 Common Shares were issued and outstanding. The holders of Common Shares who are holders of record at the close of business of July 9, 2018 are entitled to one vote at the meeting. The holders of Common Shares are entitled to one vote per share.

PRINCIPAL HOLDERS OF VOTING SHARES

To the knowledge of the directors and senior officers of Khan, no person beneficially owns, directly or indirectly, or exercises control or direction over, directly or indirectly, voting securities carrying ten percent (10%) or more of the voting rights attached to any class of voting securities of the Corporation, except as disclosed below:

Name of Shareholder	Number of Common Shares beneficially owned, controlled or directed, directly or indirectly	Percentage of Common Shares beneficially owned, controlled or directed, directly or indirectly

No director or executive officer of Khan is, as at the date hereof, or was within ten (10) years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including Khan), that: (a) was subject to an order that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or (b) was subject to an order that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Personal Bankruptcies

No director or executive officer of Khan, or a shareholder holding a sufficient number of securities of Khan to affect materially the control of Khan: (a) is, as at the date hereof, or has been within the ten (10) years before the date of this Circular, a director or executive officer of any company (including Khan) that, while that person was acting in that

capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or (b) has, within the ten (10) years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director, executive officer or shareholder.

Penalties and Sanctions

No director or executive officer of Khan, or a shareholder holding a sufficient number of securities of Khan to affect materially the control of Khan, has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

Conflicts of Interest

The directors or officers of Khan are, or may become, directors or officers of other companies with businesses which may conflict with the business of Khan. In accordance with the *Business Corporations Act (Ontario)*, directors are required to act honestly and in good faith with a view to the best interests of Khan. In addition, directors in a conflict of interest position are required to disclose certain conflicts to Khan and to abstain from voting in connection with the matter. To the best of Khan's knowledge, there are no known existing or potential conflicts of interest between Khan or a subsidiary of Khan and a director or officer of Khan or a subsidiary of Khan as a result of their outside business interests at the date hereof. However, certain of the directors and officers serve as directors and/or officers of other companies including Marc C. Henderson, who is the President, CEO and a director of Laramide Resources Ltd., a resource company specializing in the acquisition, discovery and development of uranium projects, and one of Khan's largest shareholders. Accordingly, conflicts of interest may arise which could influence these persons in evaluating possible acquisitions or in generally acting on behalf of Khan.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Effective corporate governance is a priority for the Board of Directors. In developing Khan's corporate governance practices, the Board of Directors has taken into account the rules and guidelines adopted by the Canadian Securities Administrators ("CSA") in June 2005 (National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 - *Corporate Governance Guidelines* (collectively, the "CSA Governance Requirements")), which require Khan to disclose certain information relating to its corporate governance practices.

The CSA Governance Requirements set out best practices drawn from existing Canadian standards and U.S. regulatory standards. Khan is required to describe certain aspects of its corporate governance practices in its management information circular, including a discussion of any practices that are inconsistent with the CSA Governance Requirements. This information is set out in Appendix B to this Circular.

The CSA has also enacted rules regarding the composition of audit committees (Multilateral Instrument 52-110 - *Audit Committees*) and the certification of an issuer's disclosure controls and procedures (Multilateral Instrument 52-109 - *Certification of Disclosure in Issuers' Annual and Interim Filings*). Khan is currently in compliance with these rules. For the year ended September 30, 2017, the Chief Executive Officer and Chief Financial Officer were required to file a certificate to certify that Khan's annual filings do not contain any untrue statement of a material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it was made, for the period covered by the annual filings and the annual financial statements together with the other financial information included in the annual filings fairly present in all material respects the financial

condition, financial performance and cash flows of the issuer, as of the date of and for the periods presented in the annual filings.

In this Circular, the term “independent” director has the corresponding meaning given to the term “independent” director in NI 58-101; namely, a director who has no direct or indirect material relationship with the Corporation which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of the Director’s independent judgement. A majority of the nominees standing for election as directors are “independent” within the meaning of NI 58-101.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has established two (2) standing committees: (1) an Audit Committee (the “**Audit Committee**”); and (2) a Compensation Committee (the “**Compensation Committee**”). A brief description of each committee is set out below.

Audit Committee.

The Audit Committee assists the Board in fulfilling its responsibilities for oversight of financial and accounting matters. The Audit Committee recommends the auditors to be nominated and reviews the compensation of the auditors. The Audit Committee is directly responsible for overseeing the work of the auditors, must pre-approve non-audit services, be satisfied that adequate procedures are in place for the review of our public disclosure of financial information extracted or derived from Khan’s financial statements and must establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters. The current members of the Audit Committee are Marc C. Henderson, Dominic Frisby and Blaise Yerly. For additional information concerning the Audit Committee please refer to the section entitled “Audit Committee” below.

Compensation Committee.

The Compensation Committee assists the Board in fulfilling its responsibilities for compensation philosophy and guidelines, and fixing compensation levels for Khan’s executive officers. In addition, the Compensation Committee is charged with reviewing the Plan and proposing changes thereto, approving any awards of options under the Plan and recommending any other employee benefit plans, incentive awards and perquisites with respect to Khan’s executive officers.

Each of the members of the Compensation Committee has direct experience that is relevant to their responsibilities regarding executive compensation of the Corporation. Accordingly, as a result of this collective experience, the Compensation Committee has knowledge of typical day-to-day responsibilities and challenges faced by the Corporation’s management team, the role of a Board in reviewing the executive compensation of a reporting issuer, and first-hand knowledge regarding executive compensation policies and practices in the private sector, all of which are beneficial to the committee in the context of its review of the Corporation’s compensation policies and practices.

The current members of the Compensation Committee are Marc C. Henderson, Dominic Frisby and Blaise Yerly.

Compensation Discussion and Analysis

Objectives of the Compensation Program

The objectives of the Corporation's executive compensation program are:

- (a) to reward individual contributions in light of overall business results;
- (b) to be competitive with the companies with whom the Corporation competes for talent;
- (c) to align the interests of the executives with the interests of the shareholders; and

- (d) to attract and retain executives who can help the Corporation achieve its objectives.

Elements of Executive Compensation

Total direct compensation (“**Total Direct Compensation**”) represents the combined value of fixed compensation and performance-based variable incentive compensation, comprising: base salary, short-term incentive compensation in the form of an annual cash bonus, and long-term incentive compensation in the form of stock options.

The allocation of Total Direct Compensation value to these different compensation elements is not based on a formula, but rather is intended to reflect the Compensation Committee’s discretionary assessment of an executive officer’s past contribution and ability to contribute to future short and long-term business results, all consistent with the circumstances of the Corporation.

Base Salary

The base salary of each NEO is reviewed annually and is the fixed portion of each NEO’s Total Direct Compensation and is designed to provide income certainty consistent with the circumstances of the Corporation.

Short-term Incentives

The annual cash bonus is a short-term incentive that is intended to reward each executive officer for their yearly individual contribution in the context of overall annual corporate performance.

Long-term Incentives

Long-term incentive compensation is provided through the granting of stock options. This incentive arrangement is designed to motivate executives to achieve longer-term business results, align their interests with those of the shareholders and to attract and retain executives. Participants benefit only if the market value of the Corporation’s Common Shares at the time of a stock option exercise is greater than the exercise price of the stock options at the time of the relevant grant. Stock options generally vest at the date of the grant, or as otherwise determined by the Board. Other than the Plan described below, the Corporation does not have a share-based awards plan or long-term incentive plan.

Determination of Compensation

Rather than strictly applying formulas and weightings to forward-looking performance objectives, which may lead to unintended consequences for compensation purposes, the Compensation Committee exercises its discretion and uses sound judgment in making compensation determinations. For this reason, the Compensation Committee does not measure performance using any pre-set formulas in determining compensation awards for NEOs.

The Board does not feel it is necessary to assess the effectiveness of individual board members. Each board member has considerable experience which is sufficient to meet the needs of the Corporation. On an annual basis, however, the Board assesses the contributions of each of the individual directors, and of the Board as a whole, in order to determine whether each is functioning effectively.

Stock Options

Stock Option Granting Process

Generally, stock option grants are determined annually. The CEO makes recommendations to the Compensation Committee and the Board regarding individual stock option awards for all recipients. The CEO does not engage in discussions with the Compensation Committee or the Board regarding his own stock option grants. The Compensation Committee and the Board deliberate and consider relevant market data and other information in order to determine the CEO’s stock option grant.

The Compensation Committee and the Board review the appropriateness of the stock option grant recommendations from the CEO for all eligible employees and accepts or adjusts these recommendations. The Compensation Committee and the Board are responsible for approving all individual stock option grants, including grants that are awarded outside the annual compensation deliberation process for such things as promotions or new hires.

In the fiscal year ended September 30, 2017, no stock options were granted to any employee or the directors.

Stock Option Plan

On May 21, 2004, the Corporation introduced the Plan, which was subsequently amended on January 9, 2009 and re-approved on January 13, 2012 by the Board and most recently obtained shareholder approval on February 16, 2012. Further housekeeping and clerical revisions to the Plan were approved by the Board on January 10, 2013 to reflect the Corporation's migration to the CSE. The CSE does not require annual approval by the shareholders of the Plan. The purpose of the Plan is to advance the interests of the Corporation and its subsidiaries by encouraging the directors, officers, employees and consultants (including the directors, officers and employees of such consultants) (each a "Participant") of the Corporation and its subsidiaries to acquire Common Shares, thereby (a) increasing the proprietary interests of such persons in the Corporation, (b) aligning the interests of such person with the interests of the Corporation's shareholders generally, (c) encouraging such persons to remain associated with the Corporation, and (d) furnishing such persons with an additional incentive in their efforts on behalf the Corporation.

According to the provisions of the Plan, the Board is authorized to provide for the granting, exercise and method of exercise of options, all on such terms as it shall determine including the delegation of the administration and operation of the Plan, in whole or in part, to a committee of the Board, subject to the terms of the Plan and applicable stock exchange rules. Under the Plan, the aggregate number of shares reserved for issuance may not exceed the greater of 5,000,000 Common Shares or 10% of the total number of issued and outstanding Common Shares at the time of any option grant, being 9,016,648 Common Shares as of the date of this Circular. As of the date hereof, there were no options outstanding under the Plan. Accordingly, the Corporation may grant 9,016,648 options under the Plan (representing 10.00% of the issued and outstanding Common Shares), calculated based on 10% of the number of Common Shares issued and outstanding as of the date of this Circular.

The number of Common Shares that may be acquired under an option granted to a Participant is determined by the Board, provided that the aggregate number of Common Shares reserved for issuance in any twelve (12) month period to any one Participant shall not exceed 5% of the Corporation's then issued and outstanding Common Shares unless the Corporation has obtained prior shareholder approval. In addition, no more than 2% of the Corporation's then issued and outstanding Common Shares may be granted to any one consultant or to any one employee in any twelve (12) month period.

Within any twelve (12) month period, the number of Common Shares issued to insiders of the Corporation under the Plan and any other security based compensation arrangement, may not exceed 10% of the Corporation's then issued and outstanding Common Shares and nor may the number of Common Shares reserved for issuance to insiders of the Corporation under the Plan at any time exceed 10% of the Corporation's then issued and outstanding Common Shares.

The exercise price of any options granted under the Plan will be fixed by the Board at the time of the grant, provided that the options shall not be less than the closing price of the Common Shares on the business day immediately prior to the date of the grant as quoted on the CSE.

The period during which an option may be exercised shall also be determined by the Board at the time the option is granted, provided that no option shall be exercisable for a period exceeding five (5) years from the date it was granted and subject to any vesting limitations imposed by the Board in its sole unfettered discretion at the time of the grant. Generally, options expire within ninety (90) days of a Participant ceasing to be a Participant, or if the Participant is engaged to provide investor relations activities to the Corporation, thirty (30) days after the optionee ceases to be employed to provide such investor relations activities or immediately if the Participant is terminated for cause. In the event of death or permanent disability of a Participant, any option previously granted to such Participant shall be exercisable until the end of the option period or until the date that is not later than one year after the date of death or permanent disability of such Participant, whichever is earlier unless otherwise determined by the Board. All options granted pursuant to the Plan are personal to the grantee and are not assignable or otherwise transferable except for a

limited right of assignment to allow: (a) the exercise of options by a Participant's legal representative in the event of death or incapacity, or (b) the transfer of an option to a corporation wholly owned by the Participant or certain trusts, of which the Participant is the sole beneficiary.

The Plan or any option thereunder may be amended at any time, subject to the approval of the Board and the shareholders of the Corporation, as well as any requisite regulatory approvals, in order to: (i) increase the maximum number (or percentage) of Common Shares issuable under the Plan, (ii) increase the maximum number of Common Shares issuable under the Plan to insiders, (iii) make any amendment that would reduce the exercise price of any outstanding option (including a cancellation or reissue of an option constituting a reduction of the exercise price), (iv) extend the term of any option granted under the Plan beyond the original expiry date, (v) increase the maximum term of any option permitted under the Plan, (vi) expand the categories of individuals eligible to participate under the Plan, (vii) allow options to be transferred or assigned other than as provided under the Plan (and described above), or (viii) to amend the amendment provisions of the Plan.

Without limiting the scope of the foregoing, the Plan provides that, for greater certainty, the Board may at any time and for any reason, make the following amendments to the Plan or any option thereunder without shareholder approval (provided that a Participant's consent to such action is required unless the Board determines that the action would not materially and adversely affect the existing rights of such Participant): (i) amendments of a housekeeping or clerical nature, as well as any clarifying amendment to the provisions of the Plan, (ii) amendments to the eligibility criteria and limits for participation in the Plan, (iii) a change to the termination provisions of an option or of the Plan, provided that the change does not entail an extension beyond an option's original expiry date, (iv) additions and amendments to or deletions from the Plan in order to comply with legislation governing the Plan or the requirements of a regulatory body or stock exchange, and (v) amendments to the provisions relating to the administration of the Plan.

Other Compensation

Executive officers may receive other benefits that the Corporation believes are reasonable and consistent with its overall executive compensation program. Benefits may include traditional health programs, bonus payments and limited executive perquisites.

How the Corporation Determines Compensation

The Role of the Compensation Committee

The Compensation Committee approves, or recommends for approval, all compensation to be awarded to the NEOs. The Compensation Committee reviews various materials in its deliberations before considering or rendering decisions.

The Compensation Committee has full discretion to adopt or alter management recommendations or to consult its own external advisors.

The Compensation Committee believes it is important to follow appropriate governance practices in carrying out its responsibilities with respect to the development and administration of executive compensation and benefit programs. Governance practices followed by the Compensation Committee include holding in-camera sessions without management present and, when necessary, obtaining advice from external consultants.

The Role of Management

Management has direct involvement in and knowledge of the business goals, strategies, experiences and performance of the Corporation. As a result, management plays an important role in the compensation decision-making process. The Compensation Committee engages in active discussions with the CEO concerning the determination of performance objectives.

The CEO makes recommendations to the Compensation Committee regarding the amount and type of compensation awards for other members of executive management. The CEO does not engage in discussions with the Compensation Committee regarding his own Total Direct Compensation. The Compensation Committee is provided with relevant

market data and other information as requested, in order to support the Compensation Committee's deliberations regarding the CEO's Total Direct Compensation and subsequent recommendation to the Board.

Performance Assessment

Rather than strictly applying formulas and weightings to forward-looking performance objectives, which may lead to unintended consequences for compensation purposes, the Compensation Committee exercises its discretion and uses sound judgment in making compensation determinations. For this reason, the Compensation Committee does not measure performance using any pre-set formulas in determining compensation awards for NEOs.

Corporate Performance

In recent years, the Corporation has had objectives primarily related to the collection of the international arbitration award, the distribution of any collected funds to its shareholders in a timely and tax efficient manner, and operating the Corporation in a cost effective manner. These objectives are utilized by the Compensation Committee as a reference when making compensation decisions.

Individual Performance

The Compensation Committee, in consultation with the CEO, reviews the achievements and overall contribution of each individual executive officer who reports to the CEO. The Compensation Committee has in-camera discussions to complete an independent assessment of the performance of the CEO.

Previously Awarded Compensation

The Compensation Committee approves or recommends compensation awards which are not contingent on the number, term or current value of other outstanding compensation previously awarded to the individual. The Compensation Committee believes that reducing or limiting current stock option grants or other forms of compensation because of prior gains realized by an executive officer would unfairly penalize the officer and reduce the motivation for continued high achievement. Similarly, the Compensation Committee does not purposely increase long-term incentive award values in a given year to offset less-than-expected returns from previous grants.

During the annual Total Direct Compensation deliberations, the Compensation Committee is provided with summaries of the history of each executive officer's previously awarded Total Direct Compensation. These summaries help the Compensation Committee to track changes in an executive officer's Total Direct Compensation from year to year and to remain aware of the historical compensation for each individual.

Decisions Related to Executive Compensation That Were Taken After Year End

There were no decisions related to executive compensation that were taken after the year ended September 30, 2017.

Pension Plan Benefits

The Corporation does not have any pension plans that provide for payments or benefits at, following, or in connection with retirement or provide for retirement or deferred compensation plans.

DIRECTORS' AND OFFICERS' INSURANCE AND INDEMNIFICATION

From November 3, 2016 to November 30, 2017 the Corporation had directors' and officers' liability insurance with a cumulative policy limit of \$5,000,000 subject to a deductible of \$100,000. The annual premium cost of this insurance coverage for the financial year ended September 30, 2017 was \$20,000, all of which is paid by the Corporation. This policy was amended to be a runoff policy for the period May 5, 2017 to May 5, 2023 with a cumulative policy limit of \$5,000,000 and subject to a deductible of \$45,000.

In accordance with the provisions of the *Business Corporations Act* (Ontario), Khan’s by-laws provide that Khan will indemnify a director or officer, a former director or officer, or a person who acts or acted at the Corporation’s request as a director or officer of a body corporate of which Khan is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including amounts paid to settle an action or to satisfy a judgment, reasonably incurred in respect of any civil, criminal or administrative action or proceeding to which he or she was made a party by reason of being or having been a director or officer of Khan or such other company if he or she acted honestly and in good faith with a view to the best interests of the Corporation and, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, he or she had reasonable grounds to believe that his or her conduct was lawful. If Khan becomes liable under the terms of its by-laws, the insurance coverage will extend to its liability; however, each claim will be subject to a deductible.

APPOINTMENT OF AUDITORS

The Board of Directors proposes that RSM Canada LLP (the “**Auditors**”) be appointed as the auditors of the Corporation to hold office until the close of the next annual meeting of shareholders and that the Board of Directors be authorized to fix the remuneration of the Auditors. The Auditors (formerly, Collins Barrow LLP) were first appointed as auditors of Khan on July 28, 2014 replacing Ernst & Young LLP, who were first appointed as auditors of Khan on January 15, 2004.

to be appropriate (the “**Name Change**”). Even if approved by the Shareholders, the Board may determine not to proceed with the Name Change at its discretion, without further approval of the Shareholders.

AUDIT COMMITTEE

The information required by Multilateral Instrument 52-110 - Audit Committees (“**52-110**”) is available under the heading “Audit Committees and Auditors” in the Corporation’s most recently filed Annual Information Form available on SEDAR at www.sedar.com.

Review of Effectiveness of Auditors

Pursuant to a report released in May, 2013 by Chartered Professional Accountants of Canada and the Canadian Public Accountability Board entitled *Enhancing Audit Quality: Canadian Perspectives*, the Corporation has adopted the recommendations of the report with respect to the review of the effectiveness of the Corporation’s auditors as follows:

- (a) Having the Audit Committee perform a periodic comprehensive review of the audit firm at least every five years, resulting in a recommendation to retain or replace the audit firm, is the preferred approach to address any institutional familiarity threats potentially created by audit firm tenure and to focus on audit quality.
- (b) The mandatory rotation of audit firms or mandatory re-tendering of the audit would not contribute to the enhancement of audit quality.
- (c) A report summarizing the results, findings and conclusions of the comprehensive review should be included in an entity’s public disclosures in the year the comprehensive review is carried out.

In order to comply with the recommendations noted above, the Audit Committee will conduct a comprehensive review every five (5) years with the first one occurring in 2019, which is five years after the appointment of the current auditor.

Yearly Review

The Audit Committee shall every year:

- (a) Monitor the effectiveness of the financial reporting environment;
- (b) Oversee the annual work of the auditors;
- (c) Review the audit plan;
- (d) Consider the impact of business risk on the audit plan;

- (e) Assess reasonableness of the audit fee;
- (f) Monitor the execution of the audit plan, with emphasis on the more complex and risky areas of the audit;
- (g) Review and evaluate the audit findings; and
- (h) Conduct an annual assessment of the performance of the external auditors.

In carrying out its annual assessment, the Audit Committee concluded that the auditor's performance of its duties to the Corporation were satisfactory, providing a high degree of confidence in the effectiveness of the yearly audit. The Audit Committee recommended that the incumbent auditor be retained.
