Proposition 64 – The Adult Use of Marijuana Act

The purpose of the Adult Use of Marijuana Act is to establish a comprehensive system to legalize, control and regulate the cultivation, processing, manufacture, distribution, testing, and sale of non-medical marijuana, including marijuana products, for use by adults 21 years and older, and to tax the commercial growth and retail sale of marijuana.

reached \$5.4-billion in 2015 and the market for legal cannabis is projected to soar to \$22-billion in revenue by 2020.
